

who, after the first two weeks on the program, is experiencing average weekly weight loss that exceeds two percent (2%) of said participants' initial body weight, or three pounds, whichever is less, for at least two consecutive weeks, or (2) to all participants when they enter the program, that failure to follow the diet instructions and consume the total caloric intake recommended may involve the risk of developing serious health complications. Second, the proposed order (Part I.J.) generally prohibits any misrepresentation concerning the safety of any weight loss program.

Compliance

Parts II, III, IV, V and VII of the proposed order are compliance reporting provisions that require the respondents to: notify the Commission of any changes in the structure of the respondents that may affect their compliance obligations under the order; retain all records that would bear on the respondents' compliance with the order; distribute copies of the order to the respondents' operating divisions and to those persons responsible for the preparation and review of advertising material covered by the order; distribute a copy of the order to each of the respondents' franchisees and licenses, take steps to contractually bind the franchisees and licensees to the order, and take certain additional steps designed to encourage or require the franchisees and licensees to comply with the order; and report to the Commission their compliance with the terms of the order.

Part VI of the proposed order provides generally that the proposed order will sunset twenty years from the date of issuance, unless a complaint to enforce the order (with or without an accompanying consent decree) was/is filed while the order was/is in force. In such a case, the order sunsets twenty years after the filing of the complaint.

The purpose of this analysis is to facilitate public comment on the proposed interpretation of the agreement and proposed order or to modify in any way their terms.

Administration for Children and Families

Federal Allotments to State Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs for Fiscal Year 1997

AGENCY: Administration on Developmental Disabilities,

Administration for Children and Families, Department of Health and Human Services.

ACTION: Notification of Fiscal Year 1997 Federal Allotments to State Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs.

SUMMARY: This notice sets forth Fiscal Year 1997 individual allotments and percentages to States administering the State Developmental Disabilities Councils and Protection and Advocacy programs, pursuant to Section 125 and Section 142 of the Developmental Disabilities Assistance and Bill of Rights Act (Act). The allotment amounts are based on the 1997 Budget Request and are contingent upon Congressional appropriations for Fiscal Year 1997. If Congress enacts and the President approves a different appropriation amount, the allotments will be adjusted accordingly.

EFFECTIVE DATE: October 1, 1996.

FOR FURTHER INFORMATION CONTACT: Joseph Lonergan, Director, Division of Formula, Entitlement, and Block Grants, Office of Program Support, Administration for Children and Families, Department of Health and Human Services, 370 L'Enfant Promenade S.W., Washington, D.C. 20447, Telephone (202) 401-6603.

SUPPLEMENTARY INFORMATION: Section 125(a)(2) of the Act requires that adjustments in the amounts of State allotments may be made not more often than annually and that States are to be notified not less than six (6) months before the beginning of any fiscal year of any adjustments to take effect in that fiscal year. It should be noted that, as required, Palau's allotment has been adjusted to fifty percent of its Fiscal Year 1995 allotment.

The Administration on Developmental Disabilities has updated the data elements for issuance of Fiscal Year 1997 allotments for the Developmental Disabilities formula grant programs. The data elements used in the update are:

A. The number of beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program, December 1994, are from Table 5.J10 of the "Social Security Bulletin: Annual Statistical Supplement 1995" issued by the Social Security Administration. The numbers for the Northern Mariana Islands and the Republic of Palau, were obtained from the Social Security Administration;

B. State data on Average Per Capita Income, 1990-94, are from Table 2 of the "Survey of Current Business,"

September 1995, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Territories also were obtained from that Bureau; and

C. State data on Total Population and Working Population (ages 18-64) as of July 1, 1994, are from Table 1 Estimates of Resident Population of States by Age of the "Census Advisory: States by National and State Population Estimates, CB95-39," issued by the Bureau of the Census, U.S. Department of Commerce. Estimates for the Territories are no longer available, therefore, the Territories population data are from the 1990 Census Population Counts. The Territories' working populations were issued in the Bureau of Census report, "General Characteristics Report: 1980," which is the most recent data available from the Bureau.
