

4. The correct category(s), merged category(s), part category(s), quantity(s) and unit(s) of quantity of the shipment as set forth in the U.S. Department of Commerce Correlation and in the Harmonized Tariff Schedule of the United States, annotated or successor documents shall be reported in the spaces provided within the visa stamp (e.g., "Cat. 340-510 DOZ").

Quantities must be stated in whole numbers. Decimals or fractions will not be accepted. Merged category quota merchandise may be accompanied by either the appropriate merged category visa or the correct category visa corresponding to the actual shipment (e.g., Categories 338/339 may be visaed as 338/339 or if the shipment consists solely of 338 merchandise, the shipment may be visaed as "Cat. 338," but not as "Cat. 339"). If, however, a merged quota category such as 338/339 has a quota sublimit on Category 338, then there must be a "Category 338" visa for the shipment if it includes Category 338 merchandise.

U.S. Customs shall not permit entry if the shipment does not have a visa, or if the visa number, date of issuance, signature, printed name of the signer, category, quantity or units of quantity are missing, incorrect or illegible, or have been crossed out or altered in any way. If the quantity indicated on the visa is less than that of the shipment, entry shall not be permitted. If the quantity indicated on the visa is more than that of the shipment, entry shall be permitted and only the amount entered shall be charged to any applicable quota.

The complete name and address of a company actually involved in the manufacturing process of the textile product covered by the visa shall be provided on the textile visa document.

If the visa is not acceptable then a new correct visa or a visa waiver must be presented to the U.S. Customs Service before any portion of the shipment will be released. A visa waiver may be issued by the U.S. Department of Commerce at the request of the Embassy of Poland in Washington, DC, for the Government of Poland. The waiver, if used, only waives the requirement to present a visa with the shipment. It does not waive the quota requirement.

If the visaed invoice is deficient, the U.S. Customs Service will not return the original document after entry, but will provide a certified copy of that visaed invoice for use in obtaining a new correct original visaed invoice, or a visa waiver.

If import quotas are in force, U.S. Customs Service shall charge only the actual quantity in the shipment to the correct category limit. If a shipment from Poland has been allowed entry into the commerce of the United States with either an incorrect visa or no visa, and redelivery is requested but cannot be made, the shipment will be charged to the correct category limit whether or not a replacement visa or waiver is provided.

Merchandise imported for the personal use of the importer and not for resale, regardless of value, and properly marked commercial sample shipments valued at U.S.\$250 or less do not require an export visa for entry and shall not be charged to existing quota levels.

A facsimile of the visa stamp is enclosed.

The actions taken concerning the Government of Poland with respect to imports of textiles and textile products in the foregoing categories have been determined by the Committee for the Implementation of Textile Agreements to involve foreign affairs functions of the United States. Therefore, these directions to the Commissioner of Customs, which are necessary for the implementation of such actions, fall within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1). This letter will be published in the Federal Register.

Sincerely,

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.
