## Maritime Administration

[Docket S-935]

### Weston Shipping Inc.; Application for Temporary Written Consent Pursuant to Section 506 of the Merchant Marine Act, 1936, as Amended, For The Transfer Of The PRESIDENT HARRISON to the Domestic Coastwise Trade

Notice is hereby given that Weston Shipping Inc. (Weston), a U.S. company, by letter dated April 1, 1996, requests temporary written consent pursuant to section 506 of the Merchant Marine Act, 1936, as amended (Act), for transfer of the construction-differential subsidy built containership PRESIDENT HARRISON (Vessel) to the domestic coastwise trade commencing June 1, 1996, until November 30, 1996, a period of six months. The Vessel is currently under charter to American President Lines (APL). The purpose of this request, Weston adds, is to permit the Vessel to haul cargo from the United States to Puerto Rico.

According to Weston, the Vessel will be Jones Act eligible on November 30, 1996. Further, APL's bareboat charter will end on its own terms on July 31, 1996, and APL has advised Weston that it will not renew its charter. Given that fact, Weston advises that if consent is granted, it will attempt to immediately employ the Vessel in the Puerto Rico trade and terminate the remaining charter with APL. Weston contends, however, that if consent is not granted, it cannot financially afford to lay-up the Vessel until the Vessel becomes Jones Act eligible and therefore the Vessel will be scrapped on July 31, 1996.

It is Weston's view, however, that scrapping the Vessel would represent a further loss for the U.S.-flagged shipping industry. Weston believes that the Vessel has a good five to 10 years of useful life remaining and would provide full employment for at least 50 merchant mariners over that time period. Weston also believes that the Vessel would provide cost effective

interstate trade between the United States and Puerto Rico.

Any person, firm, or corporation having any interest in the application for section 506 consent and desiring to submit comments concerning Weston's request must by the close of business on April 23, 1996 file written comments in triplicate, to the Secretary, Maritime Administration, Room 7210, Nassif Building, 400 Seventh Street, SW., Washington, DC 20590. The Maritime Administration, as a matter of discretion, will consider any comments submitted and take such action as may be deemed appropriate.

By Order of the Maritime Administrator.

Dated: April 4, 1996.

Joel C. Richard,

*Secretary.*
