FOR FURTHER INFORMATION CONTACT: Vanessa R. Engle, Realty Use Group, 202-452-7776.

SUPPLEMENTARY INFORMATION: In accordance with 5 CFR 1320.12(a), the BLM is required to provide 60-day notice in the Federal Register concerning a collection of information contained in published current rules to solicit comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

The Color-of-Title Act of December 22, 1928, as amended (43 U.S.C. 1068, 1068a, 1068b), provides for the issuance of a land patent (deed) to eligible individuals, groups, or corporations who believe they have a valid claim to public lands under color-of-title. The information collected on Color-of-Title Application Form 2540-1, is required by Departmental regulations at 43 CFR 2541.2 (35 FR 9592, June 13, 1970), and is used by the agency to identify information concerning improvements, cultivation, title ownership and related matters.

Any individual seeking to acquire a title to public land under the color-of-title authority must make application and provide information essential to compliance with law, regulations, and procedures. As required by the Color-of-Title Act and 43 CFR 2541.2(b) and (c), information provided on Form 2540-1 is used to certify the applicant's claim for land property title rights from the Federal government. Without this information, BLM cannot finalize the claim.

Form 2540-1 may be submitted in person or by mail to the proper BLM office. The following specific items of information are requested on Color of Title Application Form 2540-1, pursuant to 43 CFR 2541.2(b) and (c): (1) the name of applicant; (2) applicant's address; (3) applicant's phone number; (4) the legal description of the lands claimed; (5) type of claim (class 1 or class 2); (6) record title holder declaration and explanation; (7) description and copy of written instrument asserting ownership (deed, will, court order, etc.); (8) date applicant learned about title problem; (9) source of information from which applicant learned of title problem; (10) title search information; (11) purchase price of property, value of improvements, revenue from forest products; (12) cultivation information; (13) property improvement information; (14) mineral estate information; and (15) filing fee (\$10), applicant's signature and date of application. Response is mandatory if the color-of-title claimant wishes to obtain the benefits of the statute and

gain clear title to his claimed property. Failure to provide the necessary information results in the rejection of the color-of-title application.

If BLM did not collect the information on Color of Title Application Form 2540-1, the agency would be unable to carry out the mandate of the Color-of-Title Act and the responsibilities for implementing 43 CFR 2540 and 2541. Form 2540-1 requires only the minimal information necessary to determine claim validity.

Based on its experience processing Color-of-Title applications, BLM estimates the public reporting burden for completing Color of Title Application Form 2540-1 is 15 minutes. BLM estimates that approximately 37 Color-of-Title applications are filed annually for a total annual burden of 9 hours.

Any interested member of the public may request and obtain, without charge, a copy of Color of Title Application Form 2540-1 by contacting any BLM Office or the person identified under **FOR FURTHER INFORMATION CONTACT.**

All responses to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will also become part of the public record.

Dated: April 9, 1996.

Chief, Regulatory Management Team.
