Receipt of Petition for Director's Decision Under 10 CFR 2.206

Notice is hereby given that by letter dated March 5, 1996, Mr. C. Morris submitted a Petition pursuant to 10 CFR 2.206 requesting that the U.S. Nuclear Regulatory Commission (NRC) take action with regard to all nuclear power plants.

The Petitioner requests that, within 90 days, the operating licenses of all nuclear power plants be suspended until such time as those licensees have discovered the reasons for the repeated errors in their electrical distribution system designs and in their undervoltage relay (UVR) set points, and provided convincing evidence that these deficiencies have been corrected. Since the Petitioner asserts that the situation is urgent, the request is being treated as one for immediate relief. The Petitioner also requests that the aforementioned evidence be submitted for review by a competent third party, and that if the NRC finds that licensees may safely operate with UVRs that do not remain properly set, it should do so in the context of a public meeting.

The Petition is being treated pursuant to 10 CFR 2.206 of the Commission's regulations and has been referred to the Director of the Office of Nuclear Reactor Regulation. As provided by Section 2.206, appropriate action will be taken

on this petition within a reasonable time.

By letter dated April 17, 1996, the Director denied the Petitioner's request for immediate suspension of the operating licenses for all nuclear power plants. A copy of the Petition is available for inspection at the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC.

Dated at Rockville, Maryland this 17th day of April, 1996.

PENSION BENEFIT GUARANTY CORPORATION

Privacy Act of 1974; System of Records

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of a new routine use of records for PBGC-3, Employee Payroll, Leave and Attendance Records—PBGC.

SUMMARY: The Pension Benefit Guaranty Corporation is proposing a new routine use of records for a system of records maintained pursuant to the Privacy Act of 1974, as amended, entitled PBGC-3, Employee Payroll, Leave and Attendance Records—PBGC. The new routine use will permit disclosure of records to the United States Department of the Interior to effect payments to employees.

DATES: Comments on the new routine use must be received on or before May 24, 1996. The new routine use will become effective June 10, 1996, without further notice, unless comments result in a contrary determination and a notice is published to that effect.

ADDRESSES: Comments may be mailed to the Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026, or hand-delivered to Suite 340 at the above address between 9 a.m. and 5 p.m., Monday through Friday. Comments will be available for inspection at the PBGC's Communications and Public Affairs Department, Suite 240, at the above address between 9 a.m. and 4 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: D. Bruce Campbell, Attorney, Pension Benefit Guaranty Corporation, Office of the General Counsel, 1200 K Street,

NW., Washington, DC 20005-4026, 202-326-4123 (202-326-4179 for TTY and TDD). These are not toll-free numbers.

SUPPLEMENTARY INFORMATION: The PBGC maintains certain personnel and payroll information in a Privacy Act system of records entitled PBGC-3, Employee, Payroll, Leave and Attendance files—PBGC. Certain payroll and personnel services are performed for the PBGC by the United States Department of Labor ("DOL"). Routine use 1 to PBGC-3 permits disclosure of records to DOL "to effect payments to employees."

Beginning in July 1996, the PBGC is implementing a new personnel and payroll system utilizing the United States Department of the Interior's ("DOI's") personnel and payroll processing system. Accordingly, PBGC is establishing a new routine use of records for PBGC-3, routine use 2, that will permit disclosure of records "to the United States Department of the Interior to effect payments to employees." When testing of the PBGC's new personnel and payroll system is complete and services are provided exclusively by DOI, the PBGC will cease disclosing records to DOL and publish a Federal Register notice deleting routine use 1 from PBGC-3.

For the convenience of the public, PBGC-3, as amended, is published in full below with new routine use 2 italicized.

Issued in Washington, DC this 18 day of April, 1996.

Martin Slate,

Executive Director, Pension Benefit Guaranty Corporation.
