

Department's Interim Regulations, 19 CFR 353.22(h). Therefore, we are initiating the new shipper review as requested. However, it is the Department's usual practice with non-market economies to require information regarding de jure and de facto government control over a company's export activities to establish its eligibility for an antidumping duty rate separate from the country-wide rate. Accordingly, we will issue a separate rates questionnaire to BMSP and seek additional information from the PRC government, as appropriate, allowing 30 days for response. If the responses from BMSP and the PRC government adequately demonstrate that BMSP is not subject to de jure and de facto government control with respect to its exports of CDIW, the review will proceed. If, on the other hand, BMSP does not demonstrate its eligibility for a separate rate, BMSP will be deemed to be affiliated with other companies that exported during the POI which did not establish their entitlement to a separate rate and the review will be terminated.

If this review proceeds normally, we will issue the final results of review not later than February 16, 1997. The period to be reviewed is the seven months immediately preceding the semi-anniversary month of March 1996, which includes August 1, 1995 through February 29, 1996.

Antidumping duty proceeding	Period to be reviewed
People's Republic of China: Certain Compact Ductile Iron Waterworks Fittings and Glands	08/01/95- 02/29/96
A-570-820 Beijing M Star Pipe Corp., Ltd.	

We will instruct the U.S. Customs Service to allow, at the option of the importer, the posting, until the completion or termination of the review, of a bond or security in lieu of a cash deposit for each entry of the merchandise in accordance with section 751(a)(2)(B)(iii) and Interim Regulation 19 CFR 353.22(h)(4) (1995).

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 353.34(b).

This initiation and this notice are in accordance with section 751(a)(2)(B) of the Act and Interim Regulation 19 CFR 353.22(h).

Dated: April 19, 1996.
Joseph A. Spetrini,
Deputy Assistant Secretary for Compliance.

ACTION: Proposed additions to procurement list.

SUMMARY: The Committee has received proposals to add to the Procurement List commodities and services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

COMMENTS MUST BE RECEIVED ON OR BEFORE: May 28, 1996.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a)(2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the possible impact of the proposed actions.

If the Committee approves the proposed additions, all entities of the Federal Government (except as otherwise indicated) will be required to procure the commodities and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action does not appear to have a severe economic impact on current contractors for the commodities and services.

3. The action will result in authorizing small entities to furnish the commodities and services to the Government.
