### Bureau of the Census

[Docket No. 951213301-5301-01]

### Annual Surveys in Manufacturing Area

**AGENCY:** Bureau of the Census, Commerce.

**ACTION:** Notice of determination.

**SUMMARY:** In conformity with Title 13, United States Code (Sections 182, 224, and 225), I have determined that annual data to be derived from the surveys listed below are needed to aid the efficient performance of essential governmental functions and have significant application to the needs of the public and industry. The data derived from these surveys, most of which have been conducted for many years, are not publicly available from nongovernmental or other governmental sources.

**FOR FURTHER INFORMATION CONTACT:** David W. Cartwright on (301) 457-4593.

**SUPPLEMENTARY INFORMATION:** The Census Bureau is authorized to take surveys necessary to furnish current data on the subjects covered by the major censuses authorized by Title 13, United States Code. These surveys will provide continuing and timely national statistical data on manufacturing for the period between economic censuses. The next economic censuses will be conducted for 1997. The data collected in these surveys will be within the general scope and nature of those inquiries covered in the economic censuses.

#### *Annual Current Industrial Reports*

Most of the following commodity or product surveys provide data on shipments or production; some provide data on stocks, unfilled orders, orders booked, consumption, and so forth. Reports will be required of all or a sample of establishments engaged in the production of the items covered by the following list of surveys.

These surveys have been approved by the Office of Management and Budget (OMB) under OMB control numbers 0607-0392, 0607-0395, 0607-0476, and 0607-0625 in accordance with the Paperwork Reduction Act, Public Law 96-511, as amended.

#### *Annual Survey of Manufactures*

The Annual Survey of Manufactures collects industry statistics such as total value of shipments, employment, payroll, workers hours, capital expenditures, cost of materials consumed, supplemental labor costs, and so forth. This survey, while conducted on a sample basis, covers all manufacturing industries, including data on plants under construction but not yet in operation.

This survey has been approved by the OMB under OMB Control Number 0607-0449 in accordance with the Paperwork Reduction Act, Public Law 96-511, as amended.

#### *Annual Survey of Research and Development*

The Annual Survey of Research and Development is designed to collect detailed information on U.S. industry's R&D performances. The major data obtained in this survey include total R&D expenditures by source of funds, the number of scientists and engineers employed, the amounts spent for pollution abatement and energy R&D for comparative purposes, the total net sales, receipts and employment of the company.

This survey has been resubmitted for extension to the OMB under OMB control number 3145-0027 for approval in accordance with the Paperwork Reduction Act, Public Law 104-13, as amended.

#### Conclusion

I have, therefore, directed that these annual surveys be conducted for the purpose of collecting the data as described.

Dated: December 18, 1995.
