Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act

In accordance with Departmental policy, 28 C.F.R. § 50.7 and 42 U.S.C. 9622(d)(2), notice is hereby given that two proposed consent decrees in *United States v. Maryland Sand, Gravel, & Stone Company, et al.*, Civil Action No. HAR-89-2869, were lodged on April 22, 1996, with the United States District Court for the District of Maryland.

The complaint filed by the United States in October 1989 seeks to recover past, unreimbursed costs under Section 107 of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C.

9607, incurred by the United States in connection with response actions taken at the Maryland Sand, Gravel and Stone Superfund Site ("Site") located in Elkton, Maryland. As part of its complaint, the United States sought recovery of costs from, *inter alia*, A&S Manufacturing Company, Schering Corporation and Westinghouse Electric. In turn, these parties sought contribution from, *inter alia*, E.R. Squibb & Sons and Martin Alexander.

The first consent decree is between the United States, A&S Manufacturing and Martin Alexander. This decree requires these parties to pay to the United States \$105,000 in reimbursement of past response costs associated with Operable Units I and II of the Maryland Sand Site. The settlement is based on a demonstration by A&S Manufacturing of its inability to reimburse the United States for any additional response costs. Under the terms of the decree, the United States has specifically reserved its right to seek further relief from A&S and Alexander for any future claims not specifically addressed in the decree. The decree also contains a reopener provision that allows the United States and any party that has paid past response costs as defined in the decree to seek further reimbursement from A&S or Alexander should either of them obtain insurance coverage for such claims.

The second decree is between the United States, Schering Corporation, Westinghouse Electric Company, Inc., and E.R. Squibbs & Sons, Inc. Under the terms of this decree Schering Corporation will pay \$1,942,084, Westinghouse will pay \$577,916 and E.R. Squibb will pay \$50,000 in reimbursement of the United States' response costs. Under the terms of the decree, the United States has specifically reserved its right to seek further relief from these parties for any future claims not specifically addressed in the decree.

The consent decrees include a covenant not to sue by the United States under Sections 106 and 107 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601 *et seq.* ("CERCLA"), and under Section 7003 of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. 6973 for past response costs.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department

of Justice, P.O. Box 7611, Ben Franklin Station, Washington, D.C. 20044, and should refer to *United States v. Maryland Sand, Gravel & Stone Company, et al.*, DOJ Ref. #90-11-2-225A. Commenters may request an opportunity for a public meeting in the affected area, in accordance with Section 7003(d) of RCRA.

The proposed consent decrees may be examined at the Office of the United States Attorney, District of Maryland, U.S. Courthouse, 101 Lombard Street, Baltimore, Md. 21201; Region III Office of the Environmental Protection Agency, 841 Chestnut Street, Philadelphia, Pa.; and at the Consent Decree Library, 1120 "G" Street, N.W., 4th Floor, Washington, D.C. 20005, (202) 624-0892.
