**Rhubarb Fashions, Jersey City, New Jersey and New York, New York; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on March 18, 1996, applicable to all workers at Rhubarb Fashions, located in Jersey City, New Jersey. The notice will soon be published in the Federal Register.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that workers at the showroom of Rhubarb Fashions in New York, New York were inadvertently excluded from the certification. Accordingly, the Department is amending the worker certification to include workers of the subject firm located in New York, New York.

The intent of the Department's certification is to include all workers of Rhubarb Fashions adversely affected by imports.

The amended notice applicable to TA-W-32,060 is hereby issued as follows:

"All workers of Rhubarb Fashions, Jersey City, New Jersey (TA-W-32,060), and New York, New York (TA-W-32,060A) who became totally or partially separated from

employment on or after February 28, 1995, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 10th day of May 1996.

**Superior Garments Inc., Winder, GA; Notice of Termination of Investigation**

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on March 25, 1996 in response to a worker petition which was filed on February 29, 1996 on behalf of workers at Superior Garments Inc., Winder, Georgia.

All workers were separated from the subject firm on February 2, 1996 more than one year prior to the date of the petition. Section 223 of the Acts specifies that no certification may apply to any worker whose last separation occurred more than one year before the date of the petition. Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed in Washington, D.C. this 13th day of May, 1996.

**[TA-W-32,025]**

**Winona Knitting Mills, Inc. Berwick Knitwear (Formerly Komar & Sons Berwick Knitwear) Berwick, Pennsylvania; Notice of Revised Determination on Reconsideration**

On April 27, 1996, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The notice will soon be published in the Federal Register.

Investigation findings show that the workers produced sweaters. The workers were denied TAA because the "contributed importantly" test of the Group Eligibility Requirements of the Trade Act was not met.

New investigation findings on reconsideration show that the articles manufactured by Winona Knitting Mills have been impacted importantly by the high penetration of imports into this market. U.S. import statistics for men's and boys', and women's and girls' sweaters show that the ratio of imports to U.S. shipments was more than 200% in both 1994 and 1995.

**Conclusion**

After careful consideration of the new facts obtained on reconsideration, it is concluded that the workers of Winona Knitting Mills, Inc. of Berwick, Pennsylvania were adversely affected by increased imports of articles like or directly competitive with sweaters produced at the subject firm.

"All workers of Winona Knitting Mills, Inc., Berwick Knitwear, Formerly Komar & Sons Berwick Knitwear, Berwick

Pennsylvania who became totally or partially separated from employment on or after February 26, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 3rd day of May 1996.
