Tribal Revenue Allocation Plans

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Proposed rule.

SUMMARY: The Bureau of Indian Affairs is proposing to establish regulations to implement Section 11(b)(3)(B) of the Indian Gaming Regulatory Act (IGRA), 25 U.S.C. 2701. This proposed rule establishes procedures for the submission, review and, approval of tribal revenue allocation plans for the distribution of net gaming revenues from tribal gaming activities.

DATES: Comments must be received on or before August 6, 1996.

ADDRESSES: Mail comments to George Skibine, Director, Indian Gaming Management Staff Office, Bureau of Indian Affairs, 1849 C Street, NW., MS 2070-MIB, Washington, DC 20240. Comments may be hand delivered to the same address from 9:00 a.m. to 4:00 p.m. Monday through Friday or sent by facsimile to 202-273-3153.

FOR FURTHER INFORMATION CONTACT: Nancy Pierskalla, Management Analyst, Indian Gaming Management Staff Office, at 202-219-4068.

SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA), 25 U.S.C. 2701 *et seq.*, was signed into law on October 17, 1988. Pursuant to Section 11 (b)(3)(B), 25 U.S.C. 2710, of the IGRA, the Secretary of the Interior (Secretary) is charged with the review and approval of tribal revenue allocation plans relating to the distribution of net gaming revenues from a tribal gaming activity. These regulations establish a method for the submission, review and approval of tribal revenue allocation plans.

The IGRA provides that net gaming revenues from Class II and Class III gaming may be distributed in the form of per capita payments to members of the Indian tribe provided the Indian tribe has prepared a Tribal Revenue Allocation Plan which is approved by the Secretary. On December 19, 1992 the Assistant Secretary—Indian Affairs (AS-IA) issued Guidelines to govern the review and approval of Tribal Revenue Allocation Plans. As outlined in the IGRA, the Guidelines require that the Indian tribe must dedicate a significant source of net gaming revenue for economic and governmental purposes, that the interests of minors and other legally incompetent persons entitled to receive per capita payments must be protected and preserved, and that per capita payments are subject to federal income taxes. The Assistant Secretary does not mandate the distribution of net gaming revenues to individual tribal members. However, it is essential that Indian tribes choosing to make per capita payments comply with the requirements of the IGRA.

Paperwork Reduction Act of 1995

Sections 290.11, 290.18 and 290.27 contain information collection requirements. As required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3507(d)), the Department of the Interior has submitted a copy of these sections to the Office of Management and Budget (OMB) for its review.

Collection of Information: Indian tribes may distribute net gaming revenues in the form of per capita payments provided the tribe has an approved Tribal Revenue Allocation Plan that has been submitted and reviewed in accordance with these regulations. The information to be collected includes: assurances to meet certain statutory requirements; a breakdown of the specific uses to which net gaming revenues will be allocated, eligibility requirements for participation, tax liability notification and the assurance of the protection and preservation of the per capita shares minors and legal incompetents. The information is needed to assure that net gaming revenues are used (1) to fund tribal government operations and programs, (2) to provide for the general welfare of the Indian tribe and its members, (3) to promote tribal economic development, (4) to donate to charitable organizations, and (5) to fund operations of local government agencies.

All information is to be collected upon the submission by an Indian tribe of a tribal revenue allocation plan or any amendments thereto for approval. Annual reporting and recordkeeping burden for this collection of information is estimated to average 75-100 hours for each response for 225 respondents, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Thus, the total annual reporting and recordkeeping burden for this collection is estimated to be 22,500 hours.

Organizations and individuals desiring to submit comments on the information collection requirement should direct them to the Office of Information and Regulatory Affairs, OMB, Room 10202, New Executive Office Building, Washington, D.C. 20503; Attention: Desk Officer for the U.S. Department of the Interior.

The Department considers comments by the public on this proposed collection of information in—

Evaluating whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility;

Evaluating the accuracy of the Department's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

Enhancing the quality, usefulness, and clarity of the information to be collected; and

Minimizing the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other collection techniques or other forms of information technology.

OMB is required to make a decision concerning the collection of information contained in these proposed regulations between 30 and 60 days after publication of this document in the Federal Register. Therefore, a comment to the OMB is best assured of having its full effect if OMB receives it within 30 days of publication. This does not affect the deadline for the public to comment to the Bureau of Indian Affairs on the proposed regulations.

Unfunded Mandates Act of 1995

This rule imposes no unfunded mandates on any governmental or private entity and is in compliance with the provisions of the Unfunded Mandates Act of 1995.

SUPPLEMENTARY INFORMATION:

Background

The least chub (*Notemigonus crysoleucas*) is a small monotypic minnow endemic to the Bonneville Basin of Utah where it was once common and widely distributed. Populations of least chub have declined and continue to be threatened by habitat loss and degradation, and the introduction of nonactive species which compete with and predate least chub. The species is now restricted to several spring systems in the Snake Valley of western Utah, with one additional population recently discovered in eastern Juab County near Mona, Utah. Listing the least chub as endangered would afford the species protection under the Endangered Species Act (Act) of 1973, as amended (16 U.S.C. 1531 et seq.).

On September 29, 1995, the Service published a proposed rule (60 FR 50518) to list the least chub as an endangered species with critical habitat. Section 4(b)(5)(E) of the Act requires that a public hearing be held if requested within 45 days of publication
