Committee for the Implementation of Textile Agreements

June 4, 1996.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive cancels and supersedes the directive dated January 16, 1996 from the Chairman, Committee for the Implementation of Textile Agreements, which directed you to count imports for consumption and withdrawals from warehouse for consumption of wool textile products in Category 444, produced or manufactured in Bulgaria and exported during the period November 29, 1995 through November 28, 1996. Import charges already made to Category 444 shall be retained.

Under the terms of section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); pursuant to the Bilateral Textile Agreement, effected by exchange of notes dated December 2, 1993 and December 23, 1993, between the Governments of the United States and the Republic of Bulgaria, as amended and extended; and in accordance with the provisions of Executive Order 11651 of March 3, 1972, as amended, you are directed to prohibit, effective on June 12, 1996, entry into the United States for consumption and withdrawal from warehouse for consumption of wool and man-made fiber textile products in the following categories, produced or manufactured in Bulgaria and exported during the twelve-month period beginning on January 1, 1996 and extending through December 31, 1996, in excess of the following levels of restraint:

Category	Twelve-month limit ¹
410/624	2,123,662 square meters of which not more than 813,529 square meters shall be in Category 410.
433	12,000 dozen.
435	21,606 dozen.
442	14,000 dozen.
444	65,526 numbers.
448	24,727 dozen.

¹ The limits have not been adjusted to account for any imports exported after December 31, 1995.

Textile products in Categories 433, 442 and 624 which have been exported to the United States prior to January 1, 1996 shall not be subject to this directive.

Textile products in Categories 433, 442 and 624 which have been released from the custody of the U.S. Customs Service under the provisions of 19 U.S.C. 1448(b) or 1484(a)(1) prior to the effective date of this directive shall not be denied entry under this directive.

Imports charged to these category limits, except Categories 433, 442, 444 and 624, for the period January 1, 1995 through December 31, 1995 shall be charged against those levels of restraint to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such goods shall be subject to the levels set forth in this directive.

For the import period January 1, 1996 through February 29, 1996, there are zero charges for Categories 433 and 624. You are directed to charge 139 dozen to the limit established in this directive for Category 442 for the January 1, 1996 through February 29, 1996 import period. Additional adjustments will be provided at a later date.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.
