DEPARTMENT OF THE TREASURY

Internal Revenue Service

Proposed Elimination of the Bulletin Index-Digest System; Comment Request

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice and request for comments.

SUMMARY: The IRS provides a method for researching tax laws, regulations, and other tax matters published in the Internal Revenue Bulletin called the "Bulletin Index-Digest System." Due to budgetary restraints, the IRS proposes to eliminate the Bulletin Index-Digest System. The IRS invites the general public and other Federal agencies to take this opportunity to comment on the proposed elimination of the Bulletin Index-Digest System.

DATES: Written comments should be received on or before August 3, 1996 to be assured consideration.

ADDRESSES: Direct all written comments to Michael Siegerist, Internal Revenue Service, T:FP:F:CD, Room 5560, 1111 Constitution Avenue NW., Washington, DC 20224.

SUPPLEMENTARY INFORMATION: In accordance with OMB Circular A-130 and Section 2 of the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3506(d)), the IRS is soliciting comments from the public on the elimination of the Bulletin Index-Digest System.

Bulletin Index-Digest System

The Bulletin Index-Digest System provides a method for researching

matters published since 1952 in the Internal Revenue Bulletin (which is the authoritative instrument of the Commissioner for announcing official rulings and procedures of the Internal Revenue Service and for publishing Public Laws, Treasury Decisions, and other items of general interest). It is divided into four Services as follows:

Service No. 1—*Income Tax*, Publication 641

Service No. 2—*Estate and Gift Taxes*, Publication 642

Service No. 3—*Employment Taxes*, Publication 643

Service No. 4—*Excise Taxes*, Publication 644

Each Service consists of a basic volume and the latest cumulative supplement. The cumulative supplements are issued quarterly for the Income Tax Service, and semi-annually for the other three Services.

The major portion of the Bulletin Index-Digest System consists of digests (brief summaries) of revenue rulings and revenue procedures alphabetically arranged under topical headings and subheadings. Also included are digests of Supreme Court decisions, adverse Tax Court decisions on cases involving tax issues in which the Commissioner has announced acquiescence or nonacquiescence, Executive Orders, Treasury Department Orders, Delegation Orders, and other miscellaneous items published in the Bulletin.

The digests are intended only as aids to the reader in identifying the subject matter covered. They may not be relied upon as authoritative interpretations.

The IRS proposes to eliminate the Bulletin Index-Digest System because of the excessive costs incurred to produce this product.

Approved: June 27, 1996.

Garrick R. Shear,

Acting National Director, Tax Forms and Publications Division.
