**SUPPLEMENTARY INFORMATION:** Pursuant to the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3506(c)(2)(A)), FinCEN is soliciting comments on the collection of information described below.

*Title:* Request for Research Form.

*OMB Number:* 1505-0139.

*Form Number:* TDF90-22.44.

*Abstract:* FinCEN provides investigative support for federal, state, and local law enforcement. FinCEN supports law enforcement investigations by conducting searches of federal law enforcement, regulatory, and financial databases, and commercial databases for relevant information which, when analyzed, provides enforcement officials with useful and expanded knowledge of the subjects of the inquiry. Requests for assistance are received from individual law enforcement agents in writing.

In order for FinCEN to undertake a thorough search and analysis, requests to FinCEN must include a minimum amount of information about the nature of the request for assistance. The information supplied in the Request for Research Form is used by agents and analysts at FinCEN in order to perform financial analysis in support of ongoing investigations conducted by the respondents' employing agency. The information on the form provides FinCEN personnel with sufficient information to be able to determine (i) which systems of records/databases may be searched lawfully in response to the query (i.e., whether the purpose of the search is compatible with the routine use(s) for a particular system or systems of records to which FinCEN has access), (ii) which systems of records would likely yield useful data related to the investigation in question, and (iii) a record for FinCEN to monitor the number and nature of inquiries received. In addition, requests for some databases likely require a written

request and this form ensures a consistent format for the requests.

*Current Actions:* Revisions to this existing form are in format only; there are no substantive or material changes.

*Type of Review:* Extension.

*Affected Public:* Federal Government/State and Local Government.

*Estimated Number of Respondents:* 7500.

*Estimated Time Per Respondent:* 30 minutes.

*Estimated Total Annual Burden Hours:* 3,750.

*Request For Comments:* Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record. Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
