and manipulative activity and to foster coordination with persons engaged in regulating the markets. Mandatory electronic filing with the new CRD system will provide more efficient processing of registration-related filings and will allow for easy access to information in these filings by all industry and regulatory participants. In turn, electronic filing of these forms will facilitate oversight of securities industry firms and their personnel.

It is therefore ordered, pursuant to section 19(b)(2) of the Act, that the proposed rule change SR-NASD-96-21 be, and hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority, 17 CFR 200.30-3(a)(12).

Deputy Secretary.

#### SMALL BUSINESS ADMINISTRATION

#### Notice of Action Subject to Intergovernmental Review

The SBA is notifying the public that it intends to grant the pending applications of 21 existing SBDCs for refunding. A short description of the SBDC program follows.

The SBÅ is publishing this notice 90 days before the expected refunding date. The SBDCs and their mailing addresses are listed below. A copy of this notice also is being furnished to the respective State single points of contact designated under the Executive Order 12372.

Each SBDC application must be consistent with any area-wide small business assistance plan adopted by a State-authorized agency. A State single point of contact and other interested State or local entities may submit written comments regarding an SBDC refunding within 30 days from the date of publication of this notice to the SBDC and to Johnnie L. Albertson, Associate Administrator for SBDCs, U.S. Small Business Administration, 409 Third Street, S.W., Suite 4600, Washington, D.C. 20416.

#### Description of the SBDC Program

A partnership exists between SBA and an SBDC. SBDCs offer training, counseling, and other business development assistance to small businesses. Each SBDC provides services under a negotiated Cooperative Agreement with SBA, the general management and oversight of SBA, and a State plan initially approved by the Governor. Non-Federal funds must match Federal funds. An SBDC must

operate according to law, the Cooperative Agreement, SBA's regulations, the annual Program Announcement, and program guidance.

#### **Program Objectives**

The SBDC program uses Federal funds to leverage the resources of States, academic institutions, and the private sector to:

- (a) Strengthen the small business community;
  - (b) Increase economic growth;
  - (c) Assist more small businesses; and
- (d) Broaden the delivery system to more small businesses.

#### SBDC Program Organization

The lead SBDC operates a statewide or regional network of SBDC subcenters. An SBDC must have a full-time Director. SBDCs must use at least 80 percent of the Federal funds to provide services to small businesses. SBDCs use volunteers and other low cost resources as much as possible.

#### **SBDC Services**

An SBDC must have a full range of business development and technical assistance services in its area of operations, depending upon local needs, SBA priorities, and SBDC program objectives. Services include training and counseling to existing and prospective small business owners in management, marketing, finance, operations, planning, taxes, and any other general or technical area of assistance that supports small business growth.

The SBA district office and the SBDC must agree upon the specific mix of services. They should give particular attention to SBA's priority and special emphasis groups, including veterans, women, exporters, the disabled, and minorities.

#### **SBDC Program Requirements**

An SBDC must meet programmatic and financial requirements imposed by statute, regulations, or its Cooperative Agreement. The SBDC must:

- (a) Locate subcenters so that they are as accessible as possible to small businesses;
- (b) Open all subcenters at least 40 hours per week, or during the normal business hours of its state or academic Host Organization, throughout the year;
- (c) Develop working relationships with financial institutions, the investment community, professional associations, private consultants, and small business groups; and
- (d) Maintain lists of private consultants at each subcenter.

Dated: June 19, 1996.

Philip Lader.

Administrator.

# COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Amendment of Import Restraint Limits for Certain Cotton, Man-Made Fiber, Silk Blend and Other Vegetable Fiber Textile Products Produced or Manufactured in the United Arab Emirates

July 17, 1996.

**AGENCY:** Committee for the Implementation of Textile Agreements (CITA).

**ACTION:** Issuing a directive to the Commissioner of Customs amending limits.

EFFECTIVE DATE: July 23, 1996.

FOR FURTHER INFORMATION CONTACT: Janet Heinzen, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482–4212. For information on the quota status of these limits, refer to the Quota Status Reports posted on the bulletin boards of each Customs port or call (202) 927–5850. For information on embargoes and quota re-openings, call (202) 482–3715.

### SUPPLEMENTARY INFORMATION:

Authority: Executive Order 11651 of March 3, 1972, as amended; section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854).

In accordance with the Uruguay Round Agreements Act and the Uruguay Round Agreement on Textiles and Clothing (ATC), the current limits are being amended for certain textile products, produced or manufactured in the United Arab Emirates and exported during the period beginning on January 1, 1996 and extending through December 31, 1996. In accordance with the ATC, these amended limits are based on the limits notified to the Textiles Monitoring Body. These limits are amended because the United Arab Emirates is now a member of the World Trade Organization (WTO).

In the letter published below, the Chairman of CITA directs the Commissioner of Customs to amend the current limits for the period January 1, 1996 through December 31, 1996. Previous adjustments applied to the 1996 limits have been adjusted accordingly.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see Federal Register notice 60 FR 65299, published on December 19, 1995). Also see 61 FR 9982, published on March 12, 1996.

The letter to the Commissioner of Customs and the actions taken pursuant to it are not designed to implement all of the provisions of the Uruguay Round Agreements Act and the ATC, but are designed to assist only in the implementation of certain of their provisions.

Troy H. Cribb,

Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

July 17, 1996.

Commissioner of Customs, Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on March 5, 1996, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton, manmade fiber, silk blend and other vegetable fiber textile products, produced or manufactured in the United Arab Emirates and exported during the twelve-month period beginning on January 1, 1996 and extending through December 31, 1996.

Effective on July 23, 1996, you are directed, in accordance with the Uruguay Round Agreements Act and the Uruguay Round Agreement on Textiles and Clothing (ATC), to increase the limits for the following categories:
