Department of Health and Human Services

Office of Refugee Resettlement

Refugee Resettlement Program: Allocations to States of FY 1996 Funds for Refugee Social Services

AGENCY: Office of Refugee Resettlement (ORR), ACF, HHS.

ACTION: Final notice of allocations to States of FY 1996 funds for refugee¹ social services.

SUMMARY: This notice establishes the allocations to States of FY 1996 funds for social services under the Refugee Resettlement Program (RRP). This notice reflects the new social service provisions in the final rule published in the Federal Register on June 28, 1995, (60 FR 33584) which became effective October 1, 1995. This notice discontinues the special discretionary funds set-aside for services to former political prisoners from Vietnam.

EFFECTIVE DATE: July 24, 1996.

ADDRESSES: Office of Refugee Resettlement, Administration for Children and Families, 370 L'Enfant Promenade, SW., Washington, DC 20447.

FOR FURTHER INFORMATION CONTACT: Toyo Biddle, Director, Division of Refugee Self-Sufficiency, (202) 401-9250.

SUPPLEMENTARY INFORMATION: Notice of the proposed social service allocations to States was published in the Federal Register on May 6, 1996, (61 FR 20268). The population estimates that were used in the proposed notice have been

¹ In addition to persons who meet all requirements of 45 CFR 400.43, "Requirements for documentation of refugee status," eligibility for refugee social services also includes: (1) Cuban and Haitian entrants, under section 501 of the Refugee Education Assistance Act of 1980 (Pub. L. 96-422); (2) certain Amerasians from Vietnam who are admitted to the U.S. as immigrants under section 584 of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1988, as included in the FY 1988 Continuing Resolution (Pub. L. No. 100-202); and (3) certain Amerasians from Vietnam, including U.S. citizens, under title II of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1989 (Pub. L. 100-461), 1990 (Pub. L. 101-167), and 1991 (Pub. L. 101-513). For convenience, the term "refugee" is used in this notice to encompass all such eligible persons unless the specific context indicates otherwise.

Refugees admitted to the U.S. under admissions numbers set aside for private-sector-initiative admissions are not eligible to be under the social service program (or under other programs supported by Federal refugee funds) during their period of coverage under their sponsoring agency's agreement with the Department of State—usually two years from their date of arrival or until they obtain permanent resident alien status, whichever comes first.

adjusted as a result of additional arrival information.

I. Amounts For Allocation

The Office of Refugee Resettlement (ORR) has available \$80,802,000 in FY 1996 refugee social service funds as part of the FY 1996 appropriation for the Department of Health and Human Services (Pub. L. 104-134). We are discontinuing in FY 1996 the special \$2,000,000 discretionary funds set-aside for services to former political prisoners from Vietnam. However, ORR expects States to address the special needs of former political prisoners from Vietnam through their regular refugee social service funds as part of the States' 5-year eligible service population.

Of the total of \$80,802,000, the Director of ORR is making available to States \$68,681,700 (85%) under the allocation formula set out in this notice. These funds are available for the purpose of providing social services to refugees.

Refugee Social Service Funds

The population figures for the social service allocation include refugees, Cuban/Haitian entrants, and Amerasians from Vietnam since these populations may be served through funds addressed in this notice. (A State must, however, have an approved State plan for the Cuban/Haitian Entrant Program or indicate in its refugee program State plan that Cuban/Haitian entrants will be served in order to use funds on behalf of entrants as well as refugees.)

The Director is allocating \$68,681,700 to States on the basis of each State's proportion of the national population of refugees who had been in the U.S. 3 years or less as of October 1, 1995 (including a floor amount for States which have small refugee populations).

The use of the 3-year population base in the allocation formula is required by section 412(c)(1)(B) of the Immigration and Nationality Act (INA) which states that the "funds available for a fiscal year for grants and contracts [for social services] * * * shall be allocated among the States based on the total number of refugees (including children and adults) who arrived in the United States not more than 36 months before the beginning of such fiscal year and who are actually residing in each State (taking into account secondary migration) as of the beginning of the fiscal year."

As established in the FY 1991 social services notice published in the Federal Register of August 29, 1991, section I, "Allocation Amounts" (56 FR 42745), a variable floor amount for States which have small refugee populations is
