

Additionally, the electronic version of this filing consists of all currently effective tariff sheets numbered 1 through 85, 87 through 130, and 132 through 288 as well as the indicated revised sheets. This re-filing of currently effective sheets is submitted in compliance with the Federal Energy Regulatory Commission's directive in Order 582, issued September 28, 1995 (RM95-3-000).

Pursuant to Section 154.7(d) of the Commission's Regulations, Mid Louisiana respectfully requests waiver of ¶ 154.203(b), Compliance filings, and ¶ 154.207, Notice requirements, as well as any other requirement of the Regulations in order to permit the tendered tariff sheets to become effective January 25, 1996, as submitted.

Mid Louisiana states that paper copies of the Revised Tariff Pages and this filing were served upon its jurisdictional customers and appropriate state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this compliance filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**Panhandle Eastern Pipe Line Company; Notice of Motion To Place Tariff Sheets into Effect**

January 29, 1996.

Take notice that on January 24, 1996, Panhandle Eastern Pipe Line Company (Panhandle) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A to the filing, to become effective January 25, 1996. Panhandle asserts that the purpose of this filing is to move into effect the tariff sheets required to implement Limited Firm

Transportation Service under Rate Schedule LFT on Panhandle's system.

Panhandle states that on July 25, 1995, Panhandle filed tariff sheets to implement Rate Schedule LFT for Limited Firm Transportation Service on its system with a proposed effective date of August 24, 1995. On August 24, 1995, the Commission issued its Order Accepting and Suspending Tariff Sheets Subject to Refund and Conditions and Establishing Technical Conference (August 24, 1995 Order) 72 FERC ¶ 61,185 (1995) in which the Commission accepted Panhandle's tariff sheets subject to refund and the outcome of the technical conference to become effective the earlier of January 25, 1996 or a date specified by the Commission following the technical conference. At the time of this motion filing, the Commission had not specified an effective date earlier than January 25, 1996.

Panhandle states that in copies of this filing are being served on all affected customers, applicable state regulatory agencies and all parties to this proceeding.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**Questar Pipeline Company; Notice of Tariff Filing**

January 29, 1996.

Take notice that on January 25, 1996, Questar Pipeline Company (Questar) tendered for filing and acceptance to be effective February 1, 1996, Alternate First Revised Sheet No. 7 to First Revised Volume No. 1 and Alternate Substitute Fifteenth Revised Sheet No. 8 to Original Volume No. 3 of its FERC Gas Tariff. Questar explains that these tariff sheets, which reflect Questar's currently effective gathering rates, are

filed in compliance with Paragraph E of the Commission's August 31, 1995, order in Docket No. RP95-407.

Questar explains further that the tendered tariff sheets are to become effective February 1, 1996, only if Questar has not received Commission authorization, on or before that date, to spin down its gathering facilities as requested in Docket No. CP95-650. Questar states that the alternate tariff sheets will be withdrawn if the Commission approves Questar's gathering spin down after January 31, 1996.

Questar states that copies of the proposed alternate tariff sheets and the transmittal letter describing the nature of the filing were served upon all parties set out on the official service list in Docket No. RP95-407.

Any person desiring to protect this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426 in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**[Docket No. CP96-155-000]**

**Southern Natural Gas Company; Notice of Request Under Blanket Authorization**

January 29, 1996.

Take notice that on January 24, 1996, Southern Natural Gas Company (Southern), P.O. Box 2563, Birmingham, Alabama, 35202-2563, filed in Docket No. CP96-155-000 a request pursuant to Section 157.205, 157.212 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212, and 157.216) for approval to abandon certain regulating facilities in connection with a change in the operation of a delivery point for an existing customer, Alabama Gas Corporation (Alagasco), under Southern's blanket certificate authority issued in Docket No. CP82-406-000, pursuant to Section 7(c) of the Natural Gas Act (NGA), all as more fully set

forth in the request which is on file with the Commission and open to public inspection.

Southern indicates that Alagasco has requested it to remove the existing regulators and install incidental piping and fittings at its Fairfield Delivery Point, located at or near Mile Post 0.128 on Southern's six-inch Fairfield Line in Section 14, Township 18 South, Range 4 West, Jefferson County, Alabama. It is further indicated that the point will be redesigned to deliver gas to Alagasco at mainline pressure not less than 175 psig. Southern states that such operational changes to the Fairfield Delivery Point will have no impact on Southern's peak day and annual deliveries. Southern further states that the estimated cost of the modifications is \$10,900 which Alagasco has agreed to reimburse Southern.

Southern states that the abandonment of facilities and change in operation of the delivery point proposed in this request for authorization will not result in any termination of service or any change to the total Firm Transportation Demand delivered to Alagasco. Southern further states that the proposed abandonment of facilities and change in delivery pressure are not prohibited by any existing tariff of Southern and that Southern has the ability to accomplish the deliveries to Alagasco without detriment or disadvantage to its ability to meet the firm requirements of its other customers.

Any person or the Commission's Staff may, within 45 days of the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to Section 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed thereunder, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

#### **Texas Gas Transmission Corporation; Notice of Refund Report**

January 29, 1996.

Take notice that on January 4, 1996, Texas Gas Transmission Corporation (Texas Gas) tendered for filing a refund report detailing the allocation of credits to its former sales customers on December 10, 1995, of \$1,265,904, in accordance with the Offer of Settlement filed on August 21, 1995, in the above-captioned dockets.

Texas Gas states that this refund report is being made to comply with Subpart F, Sections 154.501 and 154.502 under the Natural Gas Act as amended by Order No. 582, which became effective on November 13, 1995, which requires refund reports within 30 days of the date the refund was made unless otherwise provided by order, settlement or tariff provision.

Texas Gas further states that copies of the refund report are being served upon Texas Gas's jurisdictional customers receiving refunds/credits made on December 10, 1995, and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests should be filed on or before February 5, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. #### **Trunkline Gas Company; Notice of Compliance Filing**

January 29, 1996.

Take notice that on January 25, 1996, Trunkline Gas Company (Trunkline) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, revised tariff sheets, as listed on Appendix A attached to the filing, proposed to be effective September 1, 1994 and February 1, 1996, as applicable. Trunkline asserts that the purpose of this filing is to comply with

the Commission's orders issued July 6, 1995 and December 15, 1995, in Docket No. RP94-164-006, et al. (72 FERC ¶ 61,012 and 73 FERC ¶ 61,319).

Trunkline states the purpose of this filing is to implement the terms of the January 20, 1995, Stipulation and Agreement in Docket No. RP94-164-006, et al. (Settlement). The revised tariff sheets reflect the Final Settlement Rates proposed to be effective February 1, 1996. The revised tariff sheets also reflect Settlement tariff provisions to be effective September 1, 1994 which 1) provide for the crediting of interruptible storage service revenues and for the termination of the interruptible transportation revenue crediting provision and 2) provide for changes in Trunkline's Fuel Recovery Provisions so that the fuel tracker becomes the means by which all of Trunkline's fuel requirements are recovered.

Trunkline states that a copy of this filing are being served on all jurisdictional customers, applicable state regulatory agencies, and all parties to the proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
