SUPPLEMENTARY INFORMATION:

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, as amended by the interim regulations published in the Federal Register on May 11, 1995 (60 FR 25130).

Background

The Department initiated the June 1, 1994 through May 31, 1995 administrative review for Guangxi on August 16, 1995 (60 FR 42501), at the request of the petitioners, the Elkton and Diamond Sparkler Companies. On April 8, 1996, the Department issued the preliminary results for this administrative review (61 FR 15464).

Scope of the Review

The products covered by this administrative review are sparklers from the PRC. Sparklers are fireworks, each comprising a cut-to-length wire, one end of which is coated with a chemical mix that emits bright sparks while burning. Sparklers are currently classifiable under subheading 3604.10.00 of the Harmonized Tariff Schedules (HTS). The HTS subheadings are provided for convenience and customs purposes. The written description remains dispositive as to the scope of this proceeding.

The review covers Guangxi and the period June 1, 1994, through May 31, 1995.

Final Results of Review

The Department gave interested parties an opportunity to comment on its preliminary results. The Department did not receive any comments. Accordingly, for reasons discussed in the preliminary results, the Department has, pursuant to section 776(a) of the Act, used facts available and, pursuant to section 776(b) of the Act, used adverse inferences. As discussed in the preliminary results of this review, the Department used as adverse facts available the 93.54 percent margin calculated in the remand of the less-than-fair-value (LTFV) final determination (see *Sparklers from the*

People's Republic of China: Adverse Decision and Amendment to Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order in Accordance with Decision Upon Remand, 58 FR 40624 (July 29, 1993)).

The Department will determine, and the U.S. Customs Service will assess, antidumping duties on all appropriate entries. Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Guangxi will be the PRC country-wide rate of 93.54 percent; (2) for previously reviewed or investigated companies that received separate rates not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent applicable period; (3) the cash deposit rate for any non-PRC exporter will be the rate applicable to the PRC supplier of that exporter; and (4) the cash deposit rate for all other PRC manufacturers or exporters will be 93.54 percent, the PRC country-wide rate established in the LTFV investigation.

These deposit requirements will remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written notification or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of the APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: July 22, 1996.

Robert S. LaRussa,

Acting Assistant Secretary for Import Administration.
