## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Agency for Health Care Policy and Research

#### Contract Review Meeting

In accordance with section 10(a) of the Federal Advisory Committee Act (5 U.S.C. Appendix 2), announcement is made of the following advisory subcommittee scheduled to meet during the month of August 1996:

**Name:** Subcommittee on Request for Proposal No. AHCPR-96-0006, A Study of Clinical Decision Support Systems (CDSS)—Status, Usage, and Barriers to Implementation.

**Date and Time:** August 14, 1996, 9:00 a.m.–5:00 p.m.

**Place:** Agency for Health Care Policy and Research, Executive Office Center, 6th Floor Conference Room, 2101 East Jefferson Street, Rockville, Maryland 20852.

This meeting will be closed to the public.

**Purpose:** The Subcommittee's charge is to provide, on behalf of the Health Care Policy and Research Contracts Review Committee, advice and recommendations to the Secretary and to the Administrator, Agency for Health Care Policy and Research (AHCPR), regarding the scientific and technical merit of contract proposals submitted in response to a specific Request for Proposals. The purpose of this two-year contract is threefold: (1) To identify vendors of CDSS and describe the characteristics of these commercially available systems, including the sources of the medical knowledge embedded or accessed by the CDSS and the extent to which they integrate AHCPR's Clinical Practice Guidelines and other guidelines; (2) to describe the health care environments in the CDSS are utilized and the extent to which these systems are integrated with other clinical information systems in these environments; and (3) to describe the perceptions regarding barriers to the widespread adoption and use of CDSS.

**Agenda:** The session of the Subcommittee will be devoted entirely to the technical review and evaluation of contract proposals submitted in response to the above referenced Request for Proposal. The Administrator, AHCPR, has made a formal determination that this meeting will not be open to the public. This is necessary to protect the free exchange of views and avoid undue interference with Committee and Department operations, and safeguard confidential proprietary information and personal information concerning individuals associated with the proposals that may be revealed during the sessions. This is in accordance with section 10(d) of the Federal Advisory Committee Act, 5 U.S.C. Appendix 2, Department regulations, 45 CFR section 11.5(a)(6), and procurement regulations, 48 CFR section 315.604(d). Anyone wishing to obtain information regarding this meeting should contact Sharon Williams, Office of Management, Contracts Management Staff, Agency for Health Care Policy and Research, Executive Office Center, 2101 East Jefferson Street, Suite 601, Rockville, Maryland, 20852, (301) 594-1445.

Dated: July 29, 1996.

## Centers for Disease Control and Prevention

[30DAY-17]

### Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) publishes a list of

information collection requests under review by the Office of Management and Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the CDC Reports Clearance Office on (404) 639-7090. Send written comments to CDC, Desk Officer, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503. Written comments should be received within 30 days of this notice.

The following requests have been submitted for review since the last publication date on July 18, 1996.

#### Proposed Project

1. Monthly Vital Statistics Report—(0920-0213)—Extension—The compilation of national vital statistics dates back to the beginning of this century and has been conducted since 1960 by the Division of Vital Statistics of the National Center for Health Statistics, CDC. The collection of the data is authorized by 42 U.S.C. 242k. The Monthly Vital Statistics Report provides estimates of monthly occurrences of births, deaths, infant deaths, marriages, and divorces following the end of each month. Similar data have been published since 1937, and are the sole source of these data at the national level. The data are widely used by the Department of Health and Human Services and by other government, academic, and private research organizations in tracking changes in trends of vital events. The data are essential to the U. S. Bureau of the Census as input to their various population estimates. They are also used each month by the Bureau of Economic Analysis, Department of Commerce, to extrapolate an element of the Gross National Product.

Respondents for the Monthly Vital Statistics Report and the Monthly Report on Marriages, Divorces and Annulments are registration officials in each state, the District of Columbia, and New York City. Respondents for the Monthly Marriage and Divorce Statistical Report forms are 60 local (county) officials in New Mexico who record marriages occurring and divorces and annulments granted in each county of New Mexico. There are no direct costs to respondents; the data are routinely available in each reporting office as a by-product of ongoing activities.

Respondents	Number of respondents	Number of responses/ respondents	Avg. burden/ response (in hrs.)
State registration officials: Monthly Vital Statistics Report .....	52	12	0.1
State registration officials: Monthly Report on Marriages, Divorces, and Annulments .....	52	12	0.1
County registration officials: New Mexico: Monthly Marriage and Divorce Statistical Report Forms .....	60	12	0.1

The total burden hours is 197.

Dated: July 29, 1996.

#### **Submission for OMB Review; Comment Request**

*Title:* Early Head Start Evaluation.

*OMB No.:* New Request.

*Description:* The Head Start Reauthorization Act of 1994 established a special initiative creating funding for services for families with infants and toddlers. In response the Administration on Children, Youth and Families (ACYF) designed the Early Head Start (EHS) program. In September, 1995, ACYF awarded grants to 68 local programs to serve families with infants and toddlers.

EHS programs are designed to produce outcomes in four domains: (1) Child development, (2) family development, (3) staff development and (4) community development. The Reauthorization required that this new initiative be evaluated. To study the effect of the initiative ACYF awarded a contract through a competitive procurement to Mathematica Policy Research, Inc. (MPR) with a subcontract to Columbia University Center for Young Children and Families. Evaluation will be carried out from October 1, 1995, through September 30, 2000. Data collection activities that are the subject of this Federal Register notice are intended for the first phase of the EHS evaluation.

The sample for the child and family assessments will be approximately 3,400 families who include a pregnant woman or a child under 12 months of age, in 17 EHS study sites. Each family will be randomly assigned to a treatment group or a control group. The sample for the child care assessments will include the primary child care provider for the focal child in each of the 3,400 study sample families. The sample for the staff assessments will be all EHS staff who have contact with the study children and families. The surveys and assessments will be conducted through computer assisted telephone interviewing, pencil and paper self-administered questionnaires, structured observations and videotaping. All data collection instruments have been designed to minimize the burden on respondents by minimizing interviewing and assessment time. Participation in the study is voluntary and confidential.

The information will be used by government managers, Congress and others to identify the features and evaluate the effectiveness of the EHS program.

*Respondents:* Applicants to the Early Head Start Program, child care providers for Early Head Start families and Early Head Start staff.
