Request for Extension and Revision of a Currently Approved Information Collection

AGENCY: Commodity Credit Corporation, USDA.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Commodity Credit Corporation's (CCC) intention to request an extension for and revision to an information collection currently approved in support of the Cooperative Marketing Association (CMA) regulations under the CCC Charter Act. The automation of certain procedure has caused a decrease in burden hours.

DATES: Comments on this notice must be received on or before October 7, 1996 to be assured consideration.

ADDITIONAL INFORMATION: James K. Tegeler, Agricultural Program Specialist, Price Support Division, Farm Service Agency, USDA, STOP 0512, P.O. Box 2415, Washington, D.C. 20013-2415; telephone (202) 720-3110.

SUPPLEMENTARY INFORMATION:

Title: Regulations for Cooperative Marketing Associations, 7 CFR Part 1425.

OMB Control Number: 0560-0040.

Type of Request: Extension and Revision of a Currently Approved Information Collection.

Abstract: The information collected under Office of Management and Budget (OMB) Number 0560-0040, as identified above, is needed to enable FSA to effectively administer the regulation relating to eligibility of Cooperative Marketing Associations (CMA), under related reporting and recordkeeping requirements and CMA approval under the CCC Charter Act.

The CCC is administered by the Farm Service Agency. Although there are several cooperative marketing associations types covered under CCC functions, the certification and reporting requirements within a particular type are essentially the same as those across all CMA types and the forms used for eligible cooperatives are essentially the same. These forms are furnished to the CMA or used by the Price Support Division employees, employed by FSA, to secure and record information about the CMA and determine that the CMA is eligible to obtain price support on behalf of its members. The general purpose of the forms are identical, i.e., to provide CCC a basis to determine whether or not the CMA meets the terms and conditions which a CMA must meet in order to be approved to obtain from CCC price support on behalf of its members. Certain information

requirements, such as producer eligibility and payment limitation files, are automated, which decreases burden hours.

Estimate of Burden: Public reporting burden for this information collection is estimated to average 14 minutes per response.

Respondents: Cooperatives, farms, or business organizations.

Estimated Number of Respondents: 103.

Estimated Number of Responses per Respondent: 144.

Estimated Total Annual Burden on Respondents: 26,458 hours.

Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be sent to the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, D.C. 20503 and to James K. Tegeler, Program Specialist, Price Support Division, Farm Service Agency, USDA, STOP 0512, P.O. Box 2415, Washington, D.C. 20013-2415; telephone (202) 720-3110. Copies of the information collection may be obtained from James Tegeler at the above address.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Current Population Survey—Basic Demographic Items.

Legal Authority: 13 U.S.C. 182.

Form Number(s): CPS-263, CPS-264, BC-1428, BC-1433.

Agency Approval Number: 0607-0049.

Type of Request: Revision of a currently approved collection.

Burden: 15,168.

Number of Respondents: 48,000.

Avg Hours Per Response: 1.58 minutes.

Needs and Uses: The Current Population Survey (CPS) is a monthly survey conducted in approximately 48,000 households throughout the United States. Data on demographic and labor force characteristics are collected from a sample of households which represent the U.S. population. Households remain in the sample for 2 years and are interviewed 8 times over that period. The basic monthly questionnaire is periodically supplemented with additional questions which address specific needs. The Bureau of the Census uses the data to compile monthly averages of household size and composition, age, education, ethnicity, marital status and various other characteristics at the U.S. level.

The Bureau of Labor Statistics (BLS) sponsors and will request separate clearance for the labor force portion of the CPS. BLS uses this data in their monthly calculations of employment and unemployment. This request is for clearance of basic demographic items such as age, marital status, sex, Armed Forces status, education, race, origin, family income, and country of birth. These basic demographic questions are asked of household members in the first interview and are updated during remaining interviews. The demographic items provide the basic demographic descriptions for the survey population.

Affected Public: Individuals or households.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Jerry Coffey, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, Acting DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, Room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.
