An institution is encouraged to use certified or at least first class mail. The Secretary may waive this requirement for a specific institution if the Secretary finds that enforcement of the requirement would be contrary to the interest of the affected campus-based program. The institution must provide a written waiver request and any supporting information or documents by the established March 4, 1996 closing date. The waiver request

must be signed by an appropriate institutional official and above the signature the official must include the statement: "I certify that the information the institution provided in this waiver request is true and accurate to the best of my knowledge. I understand that the information is subject to audit and program review by representatives of the Secretary of Education."
