**Proposed Administrative Settlement Under the Comprehensive Environmental Response, Compensation and Liability Act; Tonolli 2nd De Minimis Settlement; Correction**

**AGENCY:** U.S. Environmental Protection Agency.

**ACTION:** Correction; Request for public comment.

**SUMMARY:** In notice document 93-25103, on pages 52961 and 52962 of the issue of Wednesday, October 13, 1993, the United States Environmental Protection Agency ("EPA") proposed to enter into a second de minimis settlement with 33 de minimis parties pursuant to section 122(g)(4) of the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, ("CERCLA"), 42 U.S.C. 9622(g)(4), for response costs incurred, and to be incurred, at the Tonolli Corporation Superfund Site, Nesquehoning, Pennsylvania. In notice document 93-30973 on pages 66359-66360 of the issue of December 20, 1993, the EPA issued a correction notice indicating that the correct number of parties was 34 because one party (Nathan's Waste and Paper Stock Company) was inadvertently not included in the October 13, 1993 notice. Subsequently, in EPA's "Consideration of Comments

Received During Public Comment Period: Tonolli 2nd de minimis Consent Order" signed on April 12, 1994 by EPA's Acting Regional Administrator, EPA noted that one party (Timpson Salvage Company, Inc.) withdrew its consent to participate in the settlement and that two parties had been incorrectly included in the notice (Bethlehem Motors and Schioppo) and that thus the correct number of parties to the settlement was 31.

EPA has been informed that an issue has been created regarding the identity of one of the settlors. Although EPA does not concede that the October 13, 1993 notice was insufficient in the identification of any settlor, EPA is issuing this correction notice and providing a thirty day opportunity to comment with respect to the participation in the settlement of the de minimis settlors identified below. In addition, and as noted above, EPA has withdrawn from the list of settlors Timpson Salvage Company, Inc., Bethlehem Motors and Schioppo.
