Concurrently, the ALJ issued an order (Order No. 12) denying respondents' motion for sanctions. On March 15, 1996, respondents filed a petition for review of the ID and Order No. 12. The IA and complainant filed responses in opposition to the petition. By notice issued April 9, 1996, the Commission gave notice of its determination not to review the ID. ## DEPARTMENT OF JUSTICE

### Federal Bureau of Prisons

#### Notice of Intent to Prepare a Draft Environmental Impact Statement (DEIS) for Development of a United States Penitentiary Near the Big Sandy Regional Airport in Martin County, Kentucky

**AGENCY:** Federal Bureau of Prisons, Department of Justice.

**ACTION:** Notice of Intent to Prepare a Draft Environmental Impact Statement (DEIS).

#### SUMMARY:

##### Proposed Action

The United States Department of Justice, Federal Bureau of Prisons has determined that a United States Penitentiary (USP) is needed in its system.

The Federal Bureau of Prisons has preliminarily evaluated several sites in Eastern Kentucky and determined that the DEIS will focus upon a 500 acre tract on new State Route #3 across from the Big Sandy Regional Airport in Martin County, Kentucky.

The Bureau of Prisons proposes to build and operate a high-security United States Penitentiary, with an adjacent minimum-security satellite camp, in Martin County, Kentucky. The main high-security facility would provide habitation for approximately 1000 inmates, and up to 300 inmates at the minimum-security camp. The Bureau of Prisons proposes to build the facility near Debord, Kentucky, on a portion of a 500 acre tract located on new State Route #3 across from the Big Sandy Regional Airport in Martin County, Kentucky. The site appears to be of sufficient size to provide space for housing, programs, administrative services and other support areas such as staff training.

##### The Process

In the process of evaluating the site, several aspects will receive detailed examination including: utilities, traffic patterns, noise levels, visual intrusion, threatened and endangered species, cultural resources and socio-economic impacts.

##### Alternatives

In developing the DEIS, the options of "no action" and "alternative sites" for the proposed facility will be fully and thoroughly examined.

##### Scoping Process

During the preparation of the DEIS, there will be opportunities for public

involvement in order to determine the issues to be examined. A Scoping Meeting will be held at 6:00 p.m. on Tuesday, August 27, 1996, at the Big Sandy Regional Airport in Martin County, Kentucky. The meeting will be well publicized and will be held at a time which will make it possible for the public and interested agencies or organizations to attend. In addition, numerous public information meetings have been held by representatives of the Bureau of Prisons with interested citizens, officials and community leaders.

##### DEIS Preparation

Public notice will be given concerning the availability of the DEIS for public review and comment.

**ADDRESSES:** Questions concerning the proposed action and the DEIS may be directed to: David J. Dorworth, Chief, Site Selection and Environmental Review Branch, Federal Bureau of Prisons, 320 First Street, NW., Washington, D.C. 20534, telephone (202) 514-6470, telefacsimile (202) 616-6024.

Dated: August 15, 1996.
