Description of Certified Conduct

Export Trade

1. Products

Semi-milled and wholly milled rice, whether or not polished or glazed (Harmonized Tariff Schedule 1006.30) (referred to as "milled rice") and husked (brown) rice (Harmonized Tariff Schedule 1006.20).

Export Markets

For purposes of administering the European Union's tariff rate quota: The countries of the European Union.

For purposes of Export Trade Activity and Method of Operation 3: All parts of the world except the United States (the 50 states of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, and the Trust Territory of the Pacific Islands).

Export Trade Activities and Methods of Operation

1. RMA will administer a system for allocating the U.S. share of the European Union (EU) tariff rate quotas ("TRQs") for milled rice and brown rice (roughly 38,000 tons of milled rice and 8,000 tons of brown rice) agreed to as compensation to the United States for

the EU enlargement, to include Austria, Finland and Sweden, as follows:

A. RMA shall establish a special tariff rate quota (hereinafter referred to as "Quota A") for the balance of calendar year 1996 and for calendar year 1997 for those RMA Members which can document exports of milled rice or brown rice to Austria, Finland and Sweden during the period 1990-1993. For the balance of 1996 and for 1997, RMA shall annually award a Member a milled rice and brown rice Quota A amount equal to 100 percent of the annual average quantity of U.S. milled rice and brown rice that the Member documents that it exported to Austria, Finland and Sweden during the period 1990-1993.

(i) RMA Members receiving a milled rice or brown rice Quota A allocation during 1996 or 1997 shall not be eligible to receive a milled rice or brown rice Quota B allocation during that period unless the Member declines the milled rice or brown rice Quota A allocation during that period.

B. For any particular time period, RMA shall establish a tariff rate quota allocation (hereinafter referred to as "Quota B") for milled rice and brown rice allocation equal to the EU milled rice and brown rice tariff rate quota remaining after deducting the milled rice and brown rice Quota A quantity, if any, for that particular time period.

(i) RMA shall allocate an amount of Quota B milled rice and brown rice available for a given period to eligible RMA Members based on the Member's proportional share of milled rice and brown rice exports to the EU for a previous period duly registered with RMA by a date certain during the period the quota is being allocated, as determined by RMA. A Member can only receive an allocation not exceeding the tonnage it has actually exported during the previous period.

2. RMA shall assess a fee to pay for administration of all matters related to establishing, operating and auditing RMA export trade certificate of review operations and for certain market development activities.

3. RMA and/or its Member shall use those funds remaining after payment of its administrative expenses to carry out market development activities. Such activities shall be of the types approved by RMA that are comparable to those funded under the Department of Agriculture's market access program with primary emphasis on rice market development activities in the European Union.

4. RMA and/or its Members may:

(i) provide for an administrative structure to implement the foregoing

tariff rate quota system, relating to the U.S.-EU Compensation Agreement and EU regulations,

(ii) exchange and discuss information regarding the structure and method for implementing the foregoing tariff rate quota system, relating to the U.S.-EU Compensation Agreement and EU regulations,

(iii) discuss the type of information needed regarding past transactions and exports that are necessary for implementing the foregoing tariff rate quota system, relating to the U.S.-EU Compensation Agreement and EU regulations,

(iv) exchange and discuss information about U.S. and foreign legislation and regulations affecting the foregoing tariff rate quota system, relating to the U.S.-EU Compensation Agreement and EU regulations,

(v) discuss and establish the fees to be assessed upon Members to pay for administrative expenses and market promotion activities,

(vi) discuss and provide for the market promotion activities to be undertaken with the fees remaining after payment of administrative expenses,

(vii) otherwise exchange and discuss information as necessary to implement the foregoing activities and take the necessary action to implement the allocation system for the foregoing tariff rate quota, relating to the U.S.-EU Compensation Agreement and EU regulations,

(viii) meet to engage in the activities described above, and

(ix) announce the total TRQ amounts available under Quota A and Quota B prior to or at the beginning of the 1996 and 1997 allocation periods.

5. In allocating quotas among Members, a Neutral Third Party, as hereinafter defined, will (i) receive information from the Members as to the Members' sales and exports of milled rice and brown rice to the EU as is necessary to calculate the share each Member will receive, and (ii) make the TRQ allocations.

(i) A Neutral Third Party means an individual, partnership, corporation (for profit or non-profit), or any representative thereof which is not engaged in the production, milling, distribution, or sale of milled or brown rice.

(ii) The Neutral Third Party may not disclose the information obtained from each Member to any other Member or any other person, except to another Neutral Third Party who must have access to the information in order to administer the quota allocation. The Neutral Third Party may disclose the total rice exports to the EU during the

period used for calculating the allocation. After the last allocation for each year, the Neutral Third Party may also disclose to the Members the allocation that each Member received in each allocation period during that allocation year.

Terms and Conditions of Certificate

1. Except as expressly authorized in Export Trade Activity and Methods of Operation 4(iii), in engaging in Export Trade Activities and Methods of Operation, neither RMA nor any Member shall intentionally disclose, directly or indirectly, to any other Member (including parent companies, subsidiaries, or other entities related to any Member not named as a Member) any information that is about its or any other Member's costs, production, inventories, domestic prices, domestic sales, capacity to produce Products for domestic sale, domestic orders, terms of domestic marketing or sale, or U.S. business plans, strategies, or methods, unless (1) such information is already generally available to the trade or public; or (2) the information disclosed is a necessary term or condition (e.g., price, time required to fill an order, etc.) of an actual or potential *bona fide* export sale and the disclosure is limited to the prospective purchaser.

2. RMA and its Members will comply with requests made by the Secretary of Commerce on behalf of the Secretary or the Attorney General for information or documents relevant to conduct under the Certificate. The Secretary of Commerce will request such information or documents when either the Attorney General or the Secretary of Commerce believes that the information or documents are required to determine that the Export Trade, Export Trade Activities and Methods of Operation of a person protected by this Certificate of Review continue to comply with the standards of section 303(a) of the Act.

Definitions

"Members" means a mill member of the Rice Millers' Association who has been certified as a "Member" within the meaning of Section 325.1(1) of the Regulations and is listed in Attachment I. Members must sign the Operating Agreement of the Rice Millers' Association Export Trade Certificate of Review in order to participate in the certified activities. Any RMA mill member who is not a Member listed in Attachment I may join RMA's export trade certificate of review by requesting that RMA file for an amended certificate and by signing the Operating Agreement. and who wishes to participate in the activities covered by this certificate, may join RMA's membership and then request that RMA file for an amended certificate. A Member may withdraw from coverage under this certificate at any time by giving written notice to RMA, a copy of which RMA will promptly transmit to the Secretary of Commerce and the Attorney General.

Protection Provided by Certificate

This Certificate protects RMA, its Members, and directors, officers, and employees acting on behalf of RMA and its Members from private treble damage actions and government criminal and civil suits under U.S. federal and state antitrust laws for the export conduct specified in the Certificate and carried out during its effective period in compliance with its terms and conditions.

Effective Period of Certificate

This Certificate continues in effect from the effective date indicated below until it is relinquished, modified, or revoked as provided in the Act and the Regulations.

Other Conduct

Nothing in this Certificate prohibits RMA and its Members from engaging in conduct not specified in this Certificate, but such conduct is subject to the normal application of the antitrust laws.

Disclaimer

The issuance of this Certificate of Review to RMA by the Secretary of Commerce with the concurrence of the Attorney General under the provisions of the Act does not constitute, explicitly or implicitly, an endorsement or opinion by the Secretary of Commerce or by the Attorney General concerning either (a) the viability or quality of the business plans of RMA or its Members or (b) the legality of such business plans of RMA or its Members under the laws of the United States (other than as provided in the Act) or under the laws of any foreign country.

The application of this Certificate to conduct in export trade where the United States Government is the buyer or where the United States Government bears more than half the cost of the transaction is subject to the limitations set forth in Section V.(D.) of the "Guidelines for the Issuance of Export Trade Certificates of Review (Second Edition)," 50 Fed. Reg. 1786 (January 11, 1985).

In accordance with the authority granted under the Act and Regulations, this Certificate of Review is hereby granted to RMA.
