

Certification for Contracts, Grants, Loans and Cooperative Agreement.

(3) Description of the need for the information and its proposed use: To appropriately determine which applicants should be provided funding, certain information is required. The application evaluation factors include the extent to which the proposal will lessen concentration of low-income residents, need, the quality of proposed self-sufficiency programs and management policies, the extent of participation by the community and development partners, the need for funding, and overall program quality, feasibility, and sustainability.

All 3,400 PHAs are eligible to apply. The estimated number of respondents is 500. The proposed frequency of the response to the collection of information is one-time. PHAs that administer 10,000 or more public housing units may submit one or two separate applications, as long as the total amount requested does not exceed \$40 million.

(5) Estimate of the total reporting and record keeping burden that will result from the collection of information:

Reporting burden:

Number of respondents: 500.

(@ 61 hours per response)

Total Estimated Burden Hours: 30,500.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: August 26, 1996.

High Desert Management Framework Plan Amendment and Record of Decision for Lake Abert Area of Critical Environmental Concern, Notice of Availability

AGENCY: Bureau of Land Management, DOI.

ACTION: Notice.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act, section 202(f) of the Federal Land Policy and Management Act, and 43 CFR part 1610, the Lakeview District has completed the plan amendment process covering a proposal to designate the Lake Abert and the surrounding vicinity as an Area of Critical Environmental Concern (ACEC). The final decision and special management actions to be implemented have been documented in a combined Approved Plan Amendment/Record of Decision (ROD) document and are available for review.

The Approved Plan Amendment addresses resource management over the next 10-15 years for approximately 123,000 acres of public land and 101,700 acres of reserved mineral estate administered by the BLM located approximately 30 miles north of the town of Lakeview, Oregon. That portion of the planning area officially

designated as an ACEC includes approximately 49,900 acres of BLM-administered lands.

DATES: The ACEC designation and management direction specified in the Approved Plan Amendment/ROD is effective August 30, 1996.

FOR FURTHER INFORMATION CONTACT: Paul Whitman, BLM, Lakeview District Office, P.O. Box 151, Lakeview, Oregon 97630 (Telephone: 541-947-6110). Copies of the Approved Plan Amendment/ROD may also be obtained by contacting this person at the above address.

SUPPLEMENTARY INFORMATION: The Approved Plan Amendment/ROD focuses on management goals, objectives, and special management direction for BLM-administered lands within about 49,900 acres of public lands designated as an ACEC. Four resource values (wildlife, visual, cultural, and ecological processes) were found to require special management attention within the ACEC area. Major management changes include: restricting off-highway vehicle (OHV) use (to existing roads and trails), salable and locatable mineral extraction, and new rights-of-way (ROW) location within the entire ACEC. Additional seasonal or temporary OHV closures could occur within the ACEC in the future, but would require the publication of separate Federal Register notices. OHV use has previously been restricted within approximately 14,500 acres of the ACEC area by earlier Federal Register notices (dated December 28, 1981, and January 22, 1988). This OHV designation represents a net change of approximately 35,400 acres formerly classified as open within the Lakeview Resource Area in these Federal Register notices, now being classified as limited. This notice fulfills the requirements of Executive Orders 11644 and 11989 and 43 CFR Part 8340.

Livestock grazing would continue to be restricted within that portion of Abert Rim Wilderness Study Area (WSA) falling within the ACEC (approximately 7,500 acres), as well as within most riparian zones and ecologically sensitive areas (approximately 1,500 acres) within the ACEC. Mineral leasing would be closed within the northern portion of the ACEC (approximately 18,000 acres) and restricted within the remainder of the ACEC (approximately 31,900 acres).

With the exception of visual resource management (VRM), management activities within the remainder of the planning area (approximately 73,100 acres) would not change from that specified in the existing land use plan.

VRM classifications for the entire planning area would be more accurately categorized as follows: Class I (approximately 22,925 acres), Class II (approximately 57,690 acres), and Class III (approximately 42,380 acres).

Those individuals, organizations, native American tribes, and agencies with a known interest in the plan have been sent a copy of the Approved Plan Amendment/ROD. Reading copies of the document are available at the Lake, Klamath, and Harney County, Oregon, libraries and at the following BLM locations: Office of External Affairs, Main Interior Building, Room 5600, 18th and C Streets, NW, Washington DC 20240, and Public Room, Oregon State Office, 1515 SW 5th, Portland, Oregon 97201. Persons desiring a copy of the document should contact the point of contact listed above.

Dated July 22, 1996.

Acting District Manager.

Also, the amendment will consider changing wording in the RMP to clarify that rejection of Carey Act (CA) and Desert Land Act (DLA) applications will result in the lands no longer being available for CA/DLA applications. The present wording addresses this provision only for relinquishment of applications. In addition, wording will be added to allow more flexibility for disposal generally within the resource area, but not allowing disposal within current WSA's, ACEC's, SRMA's and other public lands reserved through

withdrawals, classifications, and special designations.

DATES: Comments concerning the plan amendment must be received by October 14, 1996.

ADDRESSES: Written comments concerning this plan amendment should be sent to the BLM Area Manager, Jarbidge Resource Area Office, 2620 Kimberly Road, Twin Falls, Idaho 83301-7975.

FOR FURTHER INFORMATION CONTACT: Mike Austin, Realty Specialist, at the above address, or telephone (208) 736-2350. The hours of availability are 8 a.m. to 4:30 p.m., Monday through Friday, except holidays.

SUPPLEMENTARY INFORMATION: The preliminary issues identified to date for analysis in the proposed amendment are: (1) The potential impacts on resources if the public lands were made available for disposal, and (2) the public interest to be served by transferring certain public lands into private ownership. The general planning criteria from the Jarbidge RMP will be used to focus the amendment process and to guide decision making. These criteria are: (1) Social and economic values; (2) plans, programs, and policies of other Federal, State, and local government agencies, and Indian tribes; (3) existing laws, regulations, and BLM policy; (4) future needs and demands for existing or potential resource commodities and values; (5) public input; (6) public welfare and safety; (7) past and present use of public and adjacent lands; (8) public benefits of providing goods and services in relation to cost; (9) quantity and quality of noncommodity resource values; and (10) environmental impacts. The following resources will be considered in preparation of the amendment: Realty, wildlife, range, cultural, minerals, watershed/soils, threatened/endangered species, and hazardous materials. Staff members representing each resource will make up the planning team. Proposed changes in the RMP transfer designations are not known to be controversial at this time. No public meetings are presently scheduled. Documents relevant to the planning process are available for public review at the address provided above.

Dated: August 19, 1996.

District Manager.
