# **Notice of Intention To Request Review of an Expiring Information Collection Reemployment of Annuitants, 5 CFR 837.103**

Editorial Note: This document was inadvertently omitted from the issue of Monday, February 5, 1996. It is published as set forth below.

**AGENCY:** Office of Personnel Management.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget a request for a clearance of an expiring information collection. Section 837.103 of Title 5, Code of Federal Regulations, requires agencies to collect information from retirees who become employed in Government positions. Agencies need to collect timely information regarding the type and amount of annuity being received so the correct rate of pay can be determined. Agencies provide this information to OPM so a determination can be made whether the reemployed retiree's annuity must be terminated.

We estimate 3,000 reemployed retirees are asked this information annually. It takes each reemployed retiree approximately 1 minute to complete for an annual estimated burden of 50 hours.

#### **Title and Purpose of Information Collection**

Certification of Relinquishment of Rights: OMB 3220-0016. Under Section 2(e)(2) of the Railroad Retirement Act (RRA), an age and service annuity, spouse annuity, or divorced spouse annuity cannot be paid unless the Railroad Retirement Board (RRB) has evidence that the applicant has ceased railroad employment and relinquished rights to return to the service of a railroad employer. Under Section 2(f)(6) of the RRA, earnings deductions are required each month an annuitant works in certain non-railroad employment termed Last Pre-retirement Non-Railroad Employment.

Normally, the employee or spouse relinquishes rights and certifies that employment has ended as part of the annuity process. However, this is not always the case. In limited circumstances, the RRB utilizes Form G-88, Certification of Termination of Service and Relinquishment of Rights, to obtain an applicant's report of termination of employment and relinquishment of rights. One response is required of each respondent. Responses are required to obtain or

retain benefits. A minor editorial change is being made to Form G-88.

#### **Estimate of Annual Respondent Burden**

The estimated annual respondent burden is as follows:

Form #(s)	Annual re-sponses	Time (Min)	Burden (Hrs)
G-88 .....	3,600	6	360

#### **Additional Information or Comments:**

To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751-3363.
