**National Oceanic and Atmospheric Administration****Submission for OMB Review;  
Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Pub. L. 104-13.

*Agency:* National Oceanic and Atmospheric Administration.

*Title:* Economic and Social Questionnaire for West Coast Fixed Gear Groundfish Limited Entry Vessel and Permit Owners.

*Agency Number:* N/A.

*OMB Number:* N/A.

*Type of Request:* New Collection.

*Burden:* 60.

*Number of Respondents:* 240.

*Average Hour Per Response:* .25.

*Needs and Uses:* Data will be collected from vessel and permit owners on economic and social characteristics of firms harvesting in the West Coast limited entry fixed gear sablefish fishery. The fishery is currently managed as a derby fishery which has become intolerably short. The data to be collected is intended to assist the Council and Secretary of Commerce in evaluating the effects of alternatives to derby fishery management. These alternatives have substantial allocative implications. There is broad industry support for certain provisions in the alternatives, e.g. a requirement that the owner of the permit or vessel be on board the vessel during fishing operations. However, the information necessary to determine the degree to which such provisions would change or maintain the current practices is not available. The questions to be asked of vessel and permit owners in the fixed gear sablefish sector will cover the following topics: legal organization of ownership (e.g. individual, partnership, corporation, etc.), participation of the vessel owner in fishing operations, status of family members as participants in the fishing operation, number of employees, number of years of participation in the fishery, vessel's home port, number of dependents, dependence on fishing income, level of household income. Questions on other

social characteristics (age, sex, marital status, education level) may also be asked.

*Affected Public:* Business or other for-profit.

*Frequency:* One-time.

*Respondent's Obligation:* Voluntary.

*OMB Desk Officer:* Adele Morris, (202) 395-3122.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, Acting DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, Room 5327, 14th & Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent to Adele Morris, OMB Desk Officer, Room 102, New Executive Office Building, Washington, DC 20503.

Dated: September 10, 1996.
