

Mrs. Brashear's request. Accordingly, the Appeal was denied.

Howard T. Uhal, 5/31/96, VFA-0160

The OHA denied an appeal of a request to the Sandia National Laboratory for information concerning equipment used to detect chemical or biological agents. The OHA found that the search performed by Sandia National Laboratory was adequate, and referred the requester to the Department of the Army for other possible documents.

Implementation of Special Refund Procedures

Macmillan Oil Company, Kenny Larson Oil Company, 5/29/96, LEF-0046; VEF-0002

The DOE issued a Decision and Order implementing procedures for the distribution of funds obtained from Macmillan Oil Company and Kenny Larson Oil Company. These funds were remitted by each firm to the DOE to settle possible pricing violations with respect to sales of refined petroleum products. For both firms, the audit records indicated the amount that each customer had been overcharged. The DOE determined that these monies will be distributed to the overcharged customers in proportion to the overcharges reflected in the audit records.

Refund Applications

Four Circle Cooperative, 5/30/96, RK272-3483

Frenchman Valley Farmers sought a supplemental refund on behalf of Four Circle Cooperative. After the previous refund was disbursed, Four Circle was dissolved and its physical assets sold to Frenchman. The DOE noted that refund applications filed by cooperatives are deemed to have been filed on behalf of the members to whom they sold petroleum products. Since approximately one-half of Four Circle's members joined Frenchman when Four Circle was liquidated, DOE granted Frenchman one-half of the supplemental refund.

Gulf Oil Corporation/The Celotex Corporation, 5/31/96, RF300-16329; RF300-16720

The DOE issued a Decision and Order granting a refund based on two applications submitted by the Celotex Corporation (Celotex) in the Gulf Oil Corporation overcharge refund proceeding conducted under 10 CFR Part 205, Subpart V. The DOE determined that the Gulf customer number Celotex submitted with one application included the gallonage claimed under a different customer number in Celotex's other application. Celotex was granted a refund of \$59,475 based on 47,579,661 gallons of petroleum purchases.

Peel Bros. Truck Leasing; Texaco Inc./Peel Bros. Truck Leasing, 5/30/96, RC272-340; RF321-21086

The Department of Energy (DOE) issued a Decision and Order rescinding

refunds that were granted to Peel Bros. Truck Leasing (Peel) in the Texaco and crude oil refund proceedings. In the Decision, the DOE found that Peel was a corporation, and the stock of that corporation had been sold to Ryder Systems Inc., which had previously been granted a refund for Peel's purchases. The DOE further found that the right to a refund had been transferred with the stock, and that the former owner of Peel was not entitled to a refund in either proceeding.

The 341 Tract Unit of the Citronelle Field/Consumers Power Company, 5/31/96, RF345-68

The DOE issued a Supplemental Order reducing a \$68,650 refund granted to Consumers Power Company in *The 341 Tract Unit of the Citronelle Field/Consumers Power Company*, Case No. RF345-2 (May 23, 1996). In the Supplemental Order, the DOE corrected two calculation errors and determined that the proper refund amount was \$61,467. Accordingly, the Consumers Power refund was reduced by \$7,183.

Refund Applications

The Office of Hearings and Appeals issued the following Decisions and Orders concerning refund applications, which are not summarized. Copies of the full texts of the Decisions and Orders are available in the Public Reference Room of the Office of Hearings and Appeals.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by the Federal Communications Commission

September 13, 1996.

SUMMARY: The Federal Communications Commission, as part of its continuing

effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it

displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarify of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments November 18, 1996.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: New.
Title: Aeronautical Services Transition Plan.
Form No.: N/A.
Type of Review: New collection.
Respondents: Business or other for-profit.
Number of Respondents: 6.
Estimated time per response: 4 hours.
Total Annual Burden: 24 hours.
Estimated cost per respondent: Based on the assumption that applicants will hire outside counsel at an approximate cost of \$150 per hour, it is estimated that the cost per submission will be \$900.00.

Needs and Uses: On April 9, 1996, the Commission adopted *Order or Reconsideration and Further Notice of Proposed Rulemaking*, 61 FR 30579 (June 17, 1996). When AMSS becomes available on the domestic satellite, current AMSS users will be transitioning from Inmarsat to the domestic provider. To ensure continuity of service during the transition from Inmarsat to the U.S. domestic AMSS licensee, the Commission adopted a requirement that operators providing interim domestic aeronautical mobile satellite services (AMSS) via Inmarsat

file a transition plan as operations are moved to the U.S. domestic licensee. The information collection will be used by the Commission and the domestic licensee to ensure technical feasibility of the transition and continuity of service as the U.S. domestic licensee begins to provide domestic AMSS.

Federal Communications Commission
 William F. Caton,
Acting Secretary.
