Texaco Inc. Vaughan Bassett Furniture Corp., 8/2/95, RF321-15350

The DOE issued a Decision and Order granting an Application for Refund filed by the Vaughan Bassett Furniture Corp. (Bassett) in the Texaco Inc. Subpart V special refund proceeding. In its refund application, Bassett sought an above-volumetric refund based upon its claim that it incurred a disproportionate

overcharge during the Texaco consent order period. In support of its claim to an above-volumetric refund Bassett submitted documents prepared by the DOE's Economic Regulatory Administration (ERA) based upon an ERA audit of Texaco's business records.

The DOE found that the enforcement documents submitted by Bassett, and the Remedial Order issued to Texaco by DOE as a result of the ERA audit, support Bassett's claim to an above-volumetric refund. The overcharge amount established by the enforcement documentation (plus pre-judgment interest) was reduced by 57.5 percent of its total to reflect the nature of the DOE/

Texaco settlement agreement. As an end-user of Texaco refined product, Bassett was not required to submit detailed evidence of injury in order to receive a refund. Bassett was awarded a refund of \$39,100 plus accrued interest.
