Food Additives Permitted in Feed and Drinking Water of Animals; Menadione Nicotinamide Bisulfite

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule.

SUMMARY: The Food and Drug Administration (FDA) is amending the food additive regulations to provide for the safe use of menadione nicotinamide bisulfite as a nutritional supplement for the prevention of vitamin K deficiency and as a source of supplemental niacin in chicken and turkey feed when used at a rate not to exceed 2 grams per ton (g/t) of complete feed. This action is in response to a food additive petition filed by Vanetta (U.S.A.) Inc.

DATES: Effective January 2, 1996; written objections and request for hearing by February 1, 1996.

ADDRESSES: Submit written objections to the Dockets Management Branch (HFA–305), Food and Drug Administration,

rm. 1–23, 12420 Parklawn Dr., Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT:

Sharon A. Benz, Center for Veterinary Medicine (HFV–226), Food and Drug Administration, 7500 Standish Pl., Rockville, MD 20855, 301–594–1729.

SUPPLEMENTARY INFORMATION: In a notice published in the Federal Register of August 15, 1994 (59 FR 41769), FDA announced that a food additive petition (FAP 2228) had been filed by Vanetta (U.S.A.) Inc., 1770 East Market St., York, PA 17402. The petition proposed to amend the food additives regulations in 21 CFR part 573 to provide for the safe use of menadione nicotinamide bisulfite as a nutritional supplement for the prevention of vitamin K deficiency in chickens and turkeys and as a source of supplemental niacin in chicken and turkey diets to be used at a level not to exceed 2 g/t of complete feed.

The notice of filing provided for a 75-day comment period. No comments were received.

FDA has evaluated the data and information in the petition and other relevant material. FDA concludes that the proposed use of the additive in chicken and turkey diets, not to exceed 2 g/t of complete feed, is safe. Therefore, the food additive regulations in part 573 are amended to add new § 573.625 to reflect this approved use.

In accordance with § 571.1(h) (21 CFR 571.1(h)), the petition and the documents that FDA considered and relied upon in reaching its decision to approve the petition are available for inspection at the Center for Veterinary Medicine by appointment with the information contact person listed above. As provided in 21 CFR 571.1(h), the agency will delete from the documents any materials that are not available for public disclosure before making the documents available for inspection.

The agency has carefully considered the potential environmental effects of this action. FDA has concluded that the action will not have a significant impact on the human environment, and that an environmental impact statement is not required. The agency's finding of no significant impact and the evidence supporting that finding, contained in an environmental assessment, may be seen in the Dockets Management Branch (address above) between 9 a.m. and 4 p.m., Monday through Friday.

Any person who will be adversely affected by this regulation may at any time on or before February 1, 1996, file with the Dockets Management Branch (address above) written objections thereto. Each objection shall be separately numbered, and each

numbered objection shall specify with particularity the provisions of the regulation to which objection is made and the grounds for the objection. Each numbered objection on which a hearing is requested shall specifically so state. Failure to request a hearing for any particular objection shall constitute a waiver of the right to a hearing on that objection. Each numbered objection for which a hearing is requested shall include a detailed description and analysis of the specific factual information intended to be presented in support of the objection in the event that a hearing is held. Failure to include such a description and analysis for any particular objection shall constitute a waiver of the right to a hearing on the objection. Three copies of all documents shall be submitted and shall be identified with the docket number found in brackets in the heading of this document. Any objections received in response to the regulation may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.

Paperwork Reduction Act

The collection of information contained in these final regulations has been reviewed and approved by the Office of Management and Budget in accordance with the Paperwork Reduction Act (44 U.S.C. 3507) under control number 1545-1449. Responses to this collection of information are required to implement the statutory requirements of section 6050I(g).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

The time estimates for the reporting requirements contained in this regulation are reflected in the burden estimates for Form 8300.

Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be sent to the Internal Revenue Service, Attn: IRS Reports Clearance Officer, T:FP, Washington, DC 20224, and to the Office of Management and Budget, Attn:

Desk Officer for the Department of the Treasury, Office of Information and Regulatory Affairs, Washington, DC 20503.

Books and records relating to this collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Background

This document provides final Income Tax Regulations (26 CFR parts 1 and 602) under section 6050I(g) of the Internal Revenue Code of 1986 (Code). This provision was added by section 20415 of the Violent Crime Control and Law Enforcement Act of 1994 (the Act) (Public Law 103-322).

On December 15, 1994, the IRS published in the Federal Register temporary regulations (TD 8572, 59 FR 64572) with a cross-reference to a notice of proposed rulemaking (IA-57-94, 59 FR 64635).

Written comments responding to the notice were received. No public hearing was requested or held. After consideration of all comments, the proposed regulations are adopted as revised by this Treasury decision, and the corresponding temporary regulations are removed.

Explanation of Revisions and Summary of Comments

Under the temporary and proposed regulations, reporting may be required when more than \$10,000 in cash is received as bail by a clerk of a Federal or State court. The temporary and proposed regulations provide that a clerk is the clerk's office or the office, department, division, branch, or unit of the court that is authorized to receive bail. One commentator suggested that the regulations clarify whether reporting under section 6050I(g) is required by a clerk if an entity that is not a part of the court receives bail. In some jurisdictions, for example, a sheriff receives bail. The final regulations provide that if someone other than a clerk receives bail on behalf of a clerk, the clerk is treated as receiving the bail. Thus, the clerk must make the return of information if the other requirements of section 6050I(g) are satisfied.

Under the temporary and proposed regulations, a statement must be sent to each payor of bail reporting certain information, including the "aggregate amount of reportable cash received during the calendar year by the clerk who made the information return required by [section 6050I(g)] in all cash

transactions relating to the payor of bail." The temporary and proposed regulations reflect the statutory requirement in section 6050I(g)(5)(B) that clerks provide the aggregate amount of reportable cash. A commentator asked whether separately reported amounts satisfy this aggregate amount requirement. The final regulations clarify that the aggregate amount requirement can be satisfied either by sending a single written statement with an aggregate amount listed or by furnishing a copy of each Form 8300 relating to that payor of bail.

In addition, the final regulations clarify that, if multiple payments are made to satisfy bail reportable under this section and the initial payment does not exceed \$10,000, the initial payment and subsequent payments must be aggregated and the information return required by section 6050I(g) must be filed by the 15th day after receipt of the payment that causes the aggregate amount to exceed \$10,000. However, payments made to satisfy separate bail requirements are not required to be aggregated.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in EO 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) and the Regulatory Flexibility Act (5 U.S.C. chapter 6) do not apply to these regulations, and, therefore, a Regulatory Flexibility Analysis is not required. Pursuant to section 7805(f) of the Internal Revenue Code, the notice of proposed rulemaking preceding these regulations was submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on their impact on small businesses.

Drafting Information

The principal author of these regulations is Susie K. Bird, Office of Assistant Chief Counsel (Income Tax and Accounting). However, other personnel from the IRS and Treasury Department participated in their development.
