INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-380]

Notice of Commission Determination Not To Review an Initial Determination Terminating the Investigation as to Respondent Yarbrough Equipment Rental and Sales Inc. on the Basis of a Consent Order; Issuance of Consent Order

In the Matter of Certain Agricultural Tractors Under 50 Power Take-off Horsepower

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission had determined not to review the initial determination (ID) of the presiding administrative law judge (ALJ) in the above-captioned investigation granting complainants' and respondent Yarbrough Equipment Rental and Sales Inc.'s ("Yarbrough") joint motion to terminate the investigation as to Yarbrough on the basis of a consent order.

FOR FURTHER INFORMATION CONTACT: Shara L. Aranoff, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436, telephone 202-205-3090.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation, which concerns allegations of unfair acts in violation of section 337 in the importation and sale

of certain agricultural tractors under 50 PTO horsepower, on February 14, 1996. On August 2, 1996, complainants Kubota Tractor Corporation, Kubota Manufacturing of America Corporation, and Kubota Corporation, and respondent Yarbrough jointly moved for termination of the investigation as to Yarbrough based on a consent order stipulation and proposed consent order. The parties' agreement provides that (1) Yarbrough admits that complainants' four registered trademarks at issue in this investigation are valid, subsisting, and enforceable and agrees not to challenge the validity of the marks in any proceeding to enforce the consent order; (2) Yarbrough will cease and desist from exporting, importing, selling, distributing or otherwise transferring the tractors that are the subject of this investigation; (3) Yarbrough waives all right to seek judicial review or otherwise challenge the validity of the consent order; (4) the consent order shall not apply to the extent that any of complainants' marks has expired or been found invalid or unenforceable, provided such finding is final and nonreviewable; and (5) the consent order is subject to enforcement, modification and revocation in accordance with Commission rules. On August 26, 1996, the Commission investigative attorney (IA) filed a response supporting the motion to terminate on the grounds that it satisfied all Commission procedural and substantive requirements, that settlements are generally in the public interest, and that the IA has no basis to conclude that termination of the investigation with respect to Yarbrough would be contrary to the public interest. On September 11, 1996, ALJ issued an ID (Order No. 54) granting the joint motion. No petitions for review of the ID were received.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

Copies of the ID and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E. Street, S.W., Washington, D.C. 20436, telephone 202-205-2000. Hearing impaired persons are advised that information on the matter can be obtained by contacting the Commission's TDD terminal at 202-205-1810.
