#### IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

NASDR has requested that the Commission find good cause pursuant to Section 19(b)(2) of the Act, for approving the proposed rule change prior to the 30th day after publication in the Federal Register. The Commission has reviewed the NASDR's proposed rule change and believes, for reasons set forth below, that the proposal is consistent with the requirements of the Act and the rules and regulations thereunder applicable to the NASD. Specifically, the Commission believes the proposal is consistent with Section 15A(b)(6) of the Act, which provides in pertinent part that the rules of the association be designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities and not to permit unfair discrimination among customers, issuers, brokers or dealers.

The Commission finds good cause, pursuant to Section 19(b)(2) of the Act, for approving the proposed rule change prior to the 30th day after publication in the Federal Register.<sup>8</sup> Paragraph (a) of IM-8310-2 permits the Association to release information on "all pending disciplinary actions that have been taken by federal or state securities agencies or self-regulatory organizations that relate to securities and commodities transactions \* \* \*" in response to a request. NASDR believes that this provision permits the Association, upon request, to release copies of its disciplinary complaints and decisions, as well as, providing, on request, a synopsis of such complaints and decisions based on the information in the CRD. The proposed rule change would codify this interpretation of Paragraph (a) of the Rule. The Commission believes that the proposed

rule change would benefit the investing public by providing more complete disclosure of information related to disciplinary complaints and disciplinary decisions. Supplying this additional information would benefit the subject of the complaint as well; instead of disseminating a synopsis, lacking detail, a full account of the circumstances would be made available.

Based on the foregoing, the Commission deems it appropriate to approve the proposed rule change on an accelerated basis, pursuant to Section 19 of the Act and the rules and regulations thereunder.<sup>9</sup>

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>10</sup> that the proposed rule change SR-NASD-96-32 be, and hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority, 17 CFR 200.30-3(a)(12).

Margaret H. McFarland,

*Deputy Secretary.*
