Office of the Secretary**Bureau of International Labor Affairs; U.S. National Administrative Office; North American Agreement on Labor Cooperation; Hearing on Submission #9601**

AGENCY: Office of the Secretary, Labor.

ACTION: Notice of hearing.

SUMMARY: The purpose of this notice is to announce a hearing, open to the public, on Submission #9601.

Submission #9601, filed with the U.S. National Administrative Office (NAO) by Human Rights Watch/Americas, the International Labor Rights Fund, and the Asociacion Nacional de Abogados Democraticos (National Association of Democratic Lawyers), involves labor law matters in Mexico and was accepted for review by the NAO on July 29, 1996. Notice of acceptance for review was published in the Federal Register on August 2, 1996.

Article 16 (3) of the North American Agreement on Labor Cooperation (NAALC) provides for the review of labor law matters in Canada and Mexico by the NAO in accordance with U.S. domestic procedures. Revised procedural guidelines pertaining to the submission, review, and reporting process utilized by the Office were published in the Federal Register on April 7, 1994 (59 F.R. 16660). The guidelines provide for a hearing as part of the review.

DATES: The hearing will be held on December 3, 1996, commencing at 9:00 a.m. Persons desiring to present oral testimony at the hearing must submit a request in writing, along with a written statement or brief describing the information to be presented or position to be taken.

ADDRESSES: The hearing will be held in Washington, D.C. in Room N-5437, Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. Written statements or briefs and requests to present oral testimony may be mailed or hand delivered to the U.S. National Administrative Office, Department of Labor, 200 Constitution Avenue, N.W., Room C-4327, Washington, D.C. 20210. Requests to present oral testimony and written statements or briefs must be received by the NAO no later than close of business, November 22, 1996.

FOR FURTHER INFORMATION CONTACT: Irasema T. Garza, Secretary, U.S. National Administrative Office, Department of Labor, 200 Constitution Avenue, N.W., Room C-4327, Washington, D.C. 20210. Telephone: (202) 501-6653 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION:**I. Nature and Conduct of Hearing**

As set out in the notice published in the Federal Register on August 2, 1996, the objective of the NAO's review of the submission is to gather information to better understand and publicly report on the Government of Mexico's promotion of compliance with, and effective enforcement of, its labor law through appropriate government action,

as set out in Article 3 of the NAALC, and on the steps the government of Mexico has taken to ensure that its administrative, quasi-judicial and labor tribunal proceedings for the enforcement of its labor law are fair, equitable and transparent, in accordance with Article 5 of the NAALC.

The hearing will be conducted by the Secretary of the NAO or the Secretary's designee. It will be open to the public. All proceedings will be conducted in English, with simultaneous translation in English and Spanish provided. The public file for the submission, including written statements, briefs, and requests to present oral testimony, will be made a part of the appropriate hearing record. The public files will also be available for inspection at the NAO prior to the hearing.

The hearing will be transcribed. A transcript of the proceeding will be made available for inspection, as provided for in Section E of the procedural guidelines, or may be purchased from the reporting company.

Disabled persons should contact the Secretary of the NAO no later than November 15, 1996, if special accommodations are needed.

II. Written Statements or Briefs and Requests To Present Oral Testimony

Written statements or briefs shall provide a discussion of the information presented or position taken and shall be legibly typed or printed. Requests to present oral testimony shall include the name, address, and telephone number of the witness, the organization represented, if any, and any other information pertinent to the request. Five copies of a statement or brief and a single copy of a request to present oral testimony shall be submitted to the NAO at the time of filing.

No request to present oral testimony will be considered unless accompanied by a written statement or brief. A request to present oral testimony may be denied if the written statement of brief suggests that the information sought to be provided is unrelated to the review of the submission or for other appropriate reasons. The NAO will notify each requester of the disposition of the request to present oral testimony.

In presenting testimony, the witness should summarize the written statement or brief, may supplement the written statement or brief with relevant information, and should be prepared to answer questions from the Secretary of the NAO or the Secretary's designee. Oral testimony will ordinarily be limited to a ten minute presentation, not including the time for questions. Persons desiring more than ten minutes

for their presentation should so state in the request, setting out reasons why additional time is necessary.

The requirements relating to the submission of written statements or briefs and requests to present oral testimony may be waived by the Secretary of the NAO for reasons of equity and public interest.

Signed at Washington, DC, on October 24, 1996.

Irasema T. Garza,

Secretary, U.S. National Administrative Office.

BILLING CODE 4510-28-M

Occupational Safety and Health Administration

Advisory Committee on Construction Safety and Health; Full Committee Meeting

Notice is hereby given that the Advisory Committee on Construction Safety and Health, established under section 107(e)(1) of the Contract Work Hours and Safety Standards Act (40 U.S.C. 333) and section 7(b) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 656), will meet on November 12-13, 1996 at the Frances Perkins Building, U.S. Department of Labor, 200 Constitution Avenue, NW., Room N-3437A-D, Washington, DC. The meetings of the full Committee are open to the public and will begin at 9 a.m. on both days. The meeting will conclude at approximately 5:00 p.m. on November 12 and at approximately 12:00 p.m. on November 13.

On November 12, OSHA will update the Committee regarding the activities of the Directorate of Construction, make a statistical presentation, and brief the ACCSH regarding the recently issued final rule for scaffolds (subpart L). The Agency will also describe the status of its efforts regarding the Steel Erection Negotiated Rulemaking Advisory Committee, the draft proposed rule for fall protection (subpart M), confined spaces in construction, safety and health programs, the applicability of generic construction standards to the residential construction industry, voluntary protection programs, emergency exit standard, and the PSM Chemical list. In addition, NIOSH and the OSHA Training Institute will describe their recent construction-related activities.

After a lunch break, there will be presentations regarding federal procurement requirements, from approximately 1:30 p.m. to 5:00 p.m.

On November 13, the work group on Health and Safety for Women in

Construction will report back to the full Advisory Committee. The full Committee will discuss the report from the work group, as well as federal procurement requirements and the activities of the OSHA State Plans. In addition, OSHA will report on the Agency's FY 1997 budget, outline OSHA's FY 1997 objectives, and indicate what assistance the Agency will need for ACCSH.

Written data, views or comments may be submitted, preferably with 20 copies, to the Division of Consumer Affairs, at the address provided below. Any such submissions received prior to the meeting will be provided to the members of the Committee and will be included in the record of the meeting.

Anyone who wishes to make an oral presentation should notify the Division of Consumer Affairs before the meeting. The request should state the amount of time desired, the capacity in which the person will appear and a brief outline of the content of the presentation. Persons who request the opportunity to address the Advisory Committee may be allowed to speak, as time permits, at the discretion of the Chairman of the Advisory Committee. Individuals with disabilities who wish to attend the meeting should contact Tom Hall, at the address indicated below, if special accommodations are needed.

For additional information contact: Tom Hall, Division of Consumer Affairs, Room N-3647, Telephone 202-219-8615, at the Occupational Safety and Health Administration, 200 Constitution Avenue, NW., Washington, DC, 20210. An official record of the meeting will be available for public inspection at the OSHA Docket Office, Room N-2625, Telephone 202-219-7894.

Signed at Washington, D.C., this 25th day of October, 1996.

Joseph A. Dear,
Assistant Secretary of Labor.

NUCLEAR REGULATORY COMMISSION

[Docket No. 030-31873; License No. 52-25114-01; EA 96-154]

**José L. Fernández, M.D.,) San Juan,
Puerto Rico; Order Modifying License
(Effective Immediately)**

I

José L. Fernández, M.D. (Licensee) is the holder of Byproduct Nuclear Material License No. 52-25114-01 (License) issued by the Nuclear Regulatory Commission (NRC or Commission) pursuant to 10 CFR Part 35. The License authorized the possession and use of a total of two strontium-90 sources not to exceed 150 millicuries for the treatment of superficial eye conditions on humans at medical facilities located at 160 Ponce de León Avenue, Puerta de Tierra, San Juan, Puerto Rico and at La Palma Building, Suite 1-A, Peral-De Diego Street, Mayagüez, Puerto Rico. The License, originally issued to the Licensee on March 22, 1991, was amended on January 14, 1994, and expired on February 28, 1996. Pursuant to 10 CFR 30.36(c), the Licensee is authorized to possess but not use licensed material.

II

A routine, unannounced inspection of the Licensee's activities at the Mayagüez, Puerto Rico, facility was performed on October 18, 1995. During the inspection, an issue regarding the validity of the calibration of one of the Licensee's strontium-90 eye applicators and the possibility of multiple misadministrations was identified. The Licensee was unable to provide adequate documentation of source strength (i.e., a calibration from the National Institute of Standards and Technology or the source manufacturer).

A Confirmatory Action Letter (CAL) was issued on October 19, 1995, which confirmed the Licensee's agreement to discontinue any use of the strontium-90 eye applicator and place it in storage until: (1) a Quality Management Program (QMP) was submitted to the NRC, and (2) NRC approved resumption of operations. Subsequently, a calibration of the source located at the Mayagüez office was performed by the source manufacturer, which indicated
