**ACTION:** Proposed additions to Procurement List.

**SUMMARY:** The Committee has received proposals to add to the Procurement List commodities and services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

**COMMENTS MUST BE RECEIVED ON OR BEFORE:** December 2, 1996.

**ADDRESSES:** Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

**FOR FURTHER INFORMATION CONTACT:** Beverly Milkman (703) 603-7740.

**SUPPLEMENTARY INFORMATION:** This notice is published pursuant to 41 U.S.C. 47(a) (2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the possible impact of the proposed actions.

If the Committee approves the proposed additions, all entities of the Federal Government (except as otherwise indicated) will be required to procure the commodities and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities. I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action does not appear to have a severe economic impact on current

contractors for the commodities and services.

3. The action will result in authorizing small entities to furnish the commodities and services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List. Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

The following commodities and services have been proposed for addition to Procurement List for production by the nonprofit agencies listed:

Initiation and Preliminary Results of  
Changed Circumstances Antidumping  
Duty Administrative Review, and Intent  
To Revoke Order in Part**

**AGENCY:** Import Administration,  
International Trade Administration,  
Department of Commerce.

**ACTION:** Notice of initiation and  
preliminary results of changed  
circumstances antidumping duty  
administrative review, and intent to  
revoke order in part.

**SUMMARY:** In response to a request by  
NEC Corporation and NEC America,  
Inc., the Department of Commerce (the  
Department) is initiating a changed  
circumstances antidumping duty  
administrative review and issuing an  
intent to revoke in part the antidumping  
duty order on high power microwave

thereof from Japan. NEC requested that  
the Department revoke the order in part  
with regard to imports of traveling wave  
tubes (TWTs) and klystron tubes, two

components of HPMAs. Based on the  
fact that MCL Inc., a domestic producer  
of HPMAs and petitioner in the less-  
than-fair-value (LTFV) investigation,  
supports NEC's request for a changed  
circumstances review and revocation in  
part of the order with regard to TWTs  
and Klystron tubes, we are initiating  
this review and we preliminarily  
determine to revoke the order in part  
with regard to this merchandise.
