Applicant's Representations

1. Applicant is an open-end management investment company that was organized as a Wisconsin corporation on February 21, 1984. On February 27, 1984, applicant registered under the Act and filed a registration statement pursuant to section 8(b) of the Act. On the same date, applicant filed a registration statement on Form N-1A to register an indefinite number of shares of its common stock that became effective on July 2, 1984. Applicant's initial public offering commenced on that date.

2. On December 20, 1995, applicant's Board of Directors ("Directors") approved and recommended an Agreement and Plan of Reorganization (the "Agreement"), pursuant to which applicants' portfolio securities and other assets would be transferred to AIM Capital Development Fund ("AIM Fund"), a series of AIM Equity Funds, Inc. Proxy materials were filed with the SEC on December 29, 1995 and were distributed to shareholders on or about February 2, 1996. At a meeting held on March 15, 1996, applicant's shareholders approved the Agreement.

3. The transfer of the portfolio securities and other assets to the AIM Fund occurred on August 12, 1996. As consideration for the transfer, AIM Equity Funds, Inc. issued shares of AIM Fund directly to the shareholders of applicant, and the shares of applicant were thereupon cancelled. The aggregate value of the AIM Fund shares so issued was equal to the aggregate net value of applicant's assets transferred in the transaction, and each shareholder of applicant received AIM Fund shares having a net asset value equal to the shares of applicant held by such shareholder immediately prior to the reorganization.

4. In connection with the reorganization, the applicant incurred approximately \$4,270 of expenses, consisting of legal fees. Fees and expenses incurred in applicant's liquidation amounted to approximately \$1,500. All of such fees and expenses were paid from the assets of applicant retained in the reorganization for such purpose. No brokerage commissions were incurred in connection with the reorganization.
