The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. Any request for a hearing must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. Unless otherwise noted, nonbanking

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than November 29, 1996.

Food and Drug Administration

[Docket No. 96N-0249]

Applications for Exemption From Preemption of State and Local Requirements Pertaining to the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is inviting State and local governments to file applications for exemption from preemption for requirements governing the sale and distribution of cigarettes and smokeless tobacco to protect children and adolescents. FDA's regulations provide that the agency may, under certain conditions, exempt a State or local requirement from preemption. This action is intended to ensure that the objectives of the final rule pertaining to the sale and distribution of cigarettes and smokeless tobacco to children and adolescents are reached. In order to facilitate and expedite review of these applications for exemption from preemption, FDA will consider the applications in two separate groups. The two groups are based on the effective dates for different requirements under the final rule. State and local governments seeking exemption from preemption must submit a separate application for each of the two groups. In determining whether to grant or deny exemptions for submitted applications, FDA intends to consolidate all of the applications within each group and to use a separate proceeding for each of the two groups.

DATES: Submit applications for group 1 (i.e., requirements that are different from or in addition to requirements

under 21 CFR 897.14(a) and (b)) by December 9, 1996; submit applications for Group 2 (i.e., requirements that are different from or in addition to all other requirements in 21 CFR part 897) by May 6, 1997.

ADDRESSES: Applications to the Dockets Management Branch (HFA-305), Food and Drug Administration, 12420 Parklawn Dr., rm. 1-23, Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT: Philip L. Chao, Office of Policy (HF-23), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-827-3380.

SUPPLEMENTARY INFORMATION:

I. Background

Under section 521(a) of the Federal Food, Drug, and Cosmetic Act (the act) (21 U.S.C. 360k(a)), any State or local requirement applicable to a device is preempted if such requirement: (1) Is different from, or in addition to, any requirement applicable under the act to the device; and (2) relates to the safety or effectiveness of the device or to any other matter included in a requirement applicable to the device under the act.

In implementing section 521 of the act, FDA has historically interpreted that provision narrowly and has found it to have preemptive effect only for those State and local requirements that, in fact, clearly impose specific requirements with respect to specific devices that are manifestly in addition to analogous Federal requirements (see § 808.1(d) (21 CFR 808.1(d))). In addition, section 521 of the act "does not preempt State or local requirements that are equal to, or substantially identical to, requirements imposed by or under the act" (§ 808.1(d)(2)).

In the Federal Register of August 28, 1996 (61 FR 44396), FDA issued a final rule (the final rule) governing the sale and distribution of nicotine-containing
