Proposed Collection; Comment Request

AGENCY: Corporation for National and Community Service (CNCS).

ACTION: Notice of 60-day review and comment period on the Revision of the 1997-1998 AmeriCorps Leaders Program Application Leader and Site Applications.

SUMMARY: The Office of the AmeriCorps Leaders Program announces a 60-day review and comment period during which AmeriCorps programs and the public are encouraged to submit comments on suggested revisions to the AmeriCorps Leaders Program Leader and Service Site Applications. The Leader application is submitted by AmeriCorps Members nominated by their program directors. The Leader's application has been revised and reduced to a one-page Part B, to take advantage of the already existing AmeriCorps application (Part A), thus

reducing duplication of effort for applicants. The Service Site application is submitted by AmeriCorps programs who want to host an AmeriCorps Leader. The Service Site application questions have also been slightly modified to provide additional clarity on the proposed role of the Leader and support mechanisms available to the Leader.

DATES: The Corporation for National and Community Service, AmeriCorps Leaders Program Office will consider written comments on the AmeriCorps Leaders Program Leader and Site Applications received within 60 days from the date of publication. The Corporation for National Service is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

ADDRESSES: Send comments to Julie Catlett, Deputy Director, AmeriCorps Leaders Program, Corporation for National and Community Service, 1201 New York Avenue, N.W., Room 9710-B, Washington, D.C., 20525

FOR FURTHER INFORMATION CONTACT: Julie Catlett (202) 606-5000, Extension 164.

SUPPLEMENTARY INFORMATION:

Purpose of the Revisions

(1) AmeriCorps Leaders Program Leader Application and Reference Forms—as part of a Corporation-wide effort to reduce duplication of effort, the AmeriCorps Leaders Program has agreed to utilize the Part A AmeriCorps Application for basic recruitment information gathering. Therefore, some revision of our application was necessary to accommodate to the new Part A. The AmeriCorps Leaders Program developed the Part B portion to attain more detailed information on the applicant's leadership experiences,

skills, and references. There is also a section added to assist the AmeriCorps Leaders Program in finding an appropriate Service Site match for the Leader.

(2) AmeriCorps Leaders Program Site Application—

- **Contact Information—**Contact Information was rephrased and separated to distinguish between the person authorized to submit the application and the person who will ultimately supervise the AmeriCorps Leader.

- **Program Description—**Additional question added to request the Grant Identification Number of the program to assist in determining the eligibility of the program. Questions removed were the Number of Participants as this information was deemed extraneous and Amount of Time in Operation as this question became irrelevant to selection.

- **Program's Need for an AmeriCorps Leader—**This set of three questions has been combined and rephrased to encourage programs to view this program as a learning experience for the Leader, rather than an extra set of hands for their program. Therefore, parts A and B have been combined and programs must now justify why their program is best suited to providing a leadership service-learning experience that not only educates the Leader but also satisfies the needs of the program. Part C has been separated out as a new question to emphasize the importance of building sustainability into the proposal.

- **Job Description—**Programs are now required to document how AmeriCorps Leaders will carry out their shared responsibilities to the national service arena with support documentation from State Commissions and/or Parent Organizations indicating they support the activities. The responsibilities of the Leader have been rephrased and clarified to emphasize that the AmeriCorps Leaders Program is a service leadership training program and that the experiences and responsibilities of the Leader in a Service Site should be complementary to their training curriculum and designed to enhance the growth of the Leader while meeting the needs of the program.

- **Recruitment and Selection of a Leader—**The section regarding nomination has been cut, programs are now only able to nominate one candidate and the candidate is required to sign the Site application if they intend to return to that program. This will immediately indicate Leaders and Sites who are "instant matches." The section regarding the Leader's experience in one of the issue areas

listed has been broadened to allow for the changing emphasis of AmeriCorps programs.

- **Support for the Leader—**One question has been added regarding both in-kind and financial support of the AmeriCorps Leader. The question seeks to ensure that the Site is prepared to functionally support the AmeriCorps Leader by providing an appropriate place to work and access to office equipment and supplies, and to financially support the Leader's activities should the description of the Leader's responsibilities indicate such a financial need. (An example would be providing reimbursement for travel expenses if the Leader is required to visit Members across a state.) The section on supervision has been eliminated, the only information required will be the contact information on the first page.

These documents are available in alternate format upon request (202-606-5000 ext. 164).

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

Dated: November 8, 1996.

Meri C. Ames,

Director, AmeriCorps Leaders Program.
