## **DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**

[Docket No. FR 4086–N–79]

### **Office of the Assistant Secretary for Housing-Federal Housing Commissioner; Notice of Proposed Information Collection for Public Comment**

**AGENCY:** Office of the Assistant Secretary for Housing, HUD.

**ACTION:** Notice.

The Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

*Title of Proposal:* 24 CFR, Part 889 Section 202 Supportive Housing for the Elderly—Capital Advance Program and 24 CFR, Part 890 Supportive Housing for Persons with Disabilities—Capital Advance Program.

*OMB Control Number:* 2502–0470.

*Description of the need for the information and proposed use:* The Section 202 program, amended by Section 801 of the National Affordable Housing Act (NAHA) of 1990, provides capital advances to private nonprofit organizations and nonprofit consumer cooperatives to expand the supply of supportive housing for the elderly. Section 811 of the NAHA created a new capital advance program for the development of supportive housing for persons with disabilities. In order to ensure that viable projects are developed, it is important to obtain information from applicants to assist HUD in determining if nonprofit organizations initially funded continue to have the financial and administrative capacity needed to develop a project and whether the project design meets the needs of the residents. These factors are critical in meeting statutory requirements, assuring the continued marketability of the projects, and protecting the Department's financial interest (both in developing projects within cost limits and achieving economical subsidy costs) in projects funded under these programs.

*Agency form numbers:* FHA–2476A, HUD–90164CA, HUD–90165CA, HUD–90166CA, HUD–90167CA, HUD–90170CA, HUD–90176CA, HUD–90177CA, HUD–90163CA, HUD–90732A–CA and HUD–92531A–CA.

*Members of affected public:* An estimation of the total numbers of hours needed to prepare the information collection is 11,225 and the frequency of responses is 1. A summary of the number of respondents and the hours of responses is as follows:
