## ENVIRONMENTAL PROTECTION AGENCY

[FRL-5666-3]

### National Drinking Water Advisory Council; Request for Nominations

The Environmental Protection Agency (EPA) invites all interested persons to suggest individuals to serve as members of the working groups that will be formed under the National Drinking Water Advisory Council on specific matters relating to implementation of the Safe Drinking Water Act. The Advisory Council was established to provide practical and independent advice, consultation, and recommendations to the Agency on the activities, functions and policies related to the Act as amended. At the November 13 and 14, 1996, meeting of the Council, it was decided that working groups should be formed on the following subjects: Small Systems Capacity Building; Operator Certification; Source Water Protection; Consumer Confidence Reports; Drinking Water State Revolving Fund; and Occurrence and Contaminant Selection.

Because membership on these groups will be limited and must be representative of balanced views, selections will be made by the Director, Office of Ground Water and Drinking Water, based on drinking water expertise and demonstrated interest in drinking water policy. Any interested person or organization may suggest an individual for a position on the working groups. Candidates should be identified by name, occupation, position, address and telephone number and the working group for which they wish to be considered for membership.

Persons selected for membership are responsible for any expenses that would

be incurred while attending meetings. Suggestions should be submitted to Charlene E. Shaw, Designated Federal Officer, National Drinking Water Advisory Council, U.S. Environmental Protection Agency, Office of Ground Water and Drinking Water (4601), 401 M Street SW, Washington, D.C. 20460, no later than December 31, 1996. The agency will not formally acknowledge or respond to nominations. E-Mail your questions to Shaw.Charlene@epamail.epa.gov or call 202/260-2285.

Dated: December 10, 1996.
