

Management Plan Amendment (RMP) and Environmental Assessment (EA) for BLM-managed Federal minerals in Le Flore County, Oklahoma. The Code of Federal Regulations, Title 43, Subpart 1600 (43 CFR 1600) will be followed in the preparation of this plan amendment.

The public is invited to participate in this land use plan amendment effort. Written comments or suggested additional issues will be accepted through March 22, 1996. The BLM will hold a public hearing at which time oral comments and suggestions will be accepted. This notice is to solicit comment on coal resource information and indications of other interest and needs pursuant to 43 CFR 3420.1-2, for inclusion in the Oklahoma RMP Amendment. Coal companies, other mineral extraction companies, state and local governments, and the general public are encouraged to submit information to the BLM to assist in the review of the draft determinations of coal development potential and possible conflicts with other resources. If this information is determined to indicate development potential, further consideration for leasing will be given. **DATES:** Comments relating to the Draft Resource Management Plan Amendment and the identification of additional issues, and responses to this call for coal resource information will be accepted through March 22, 1996.

**ADDRESSES:** Comments to be included with the draft document should be sent to: Bureau Land Management, 221 North Service Road, Moore, Oklahoma 73160. Proprietary data should be identified as such to ensure confidentiality.

**FOR FURTHER INFORMATION CONTACT:** Catherine Wolff-White, Tulsa District, BLM, (405) 790-1010.

**SUPPLEMENTARY INFORMATION:** The draft Oklahoma RMP amendment will include the Federal coal lease application located in Section 3, T9N, R24E in Le Flore County, about 8 miles northwest of Spiro, Oklahoma. The property proposed to be leased, containing approximately 100 acres, is described as follows:

LOT 1 ALIQ NESW, SWSW, NWSESW

The issue addressed by this draft RMP amendment effort is coal leasing and development within the coal lease application area and an adjacent 100 acre tract. The development of this coal resource is the issue addressed in the draft RMP amendment. Industry and other interested parties are asked to provide any information that will be useful in meeting the requirements of the Federal Coal Management Program defined in 43 CFR 3420, including

review of application of the coal planning screens and possibly future activity planning such as tract delineation. Information resulting from this hearing and any comments submitted to the BLM will be utilized in the draft finalization and implementation to determine potential for coal development and conflict with other resources within this 100-acre tract and any other tracts that may be determined to have additional interest.

**LANDS ALREADY CONSIDERED IN THE OKLAHOMA RESOURCE MANAGEMENT PLAN, ADOPTED IN JANUARY 1994, NEED NOT BE ADDRESSED.**

The issue of Federal coal leasing and developing includes:

1. Determining areas acceptable for further coal leasing consideration with standard stipulations;
2. Determining areas acceptable for consideration with special stipulations;
3. Determining areas unacceptable for further coal leasing consideration.

The BLM will apply the coal development potential, unsuitability criteria, multiple use conflict and consultation screens in order to make these determinations.

The type of information needed includes, but is not limited to, the following:

1. Location:
    - a. Federal coal tracts desired by mining companies should include a narrative description with areas delineated on a map with a scale of not less than 1/2 inch to the mile.
    - b. Descriptions of both public and private industry coal users in the general region.
  2. Quantity needs (tonnage, dates) for both public and private industry coal users and coal developers.
  3. Quality needs (by type and grade) for end users of the coal.
  4. Coal reserve drilling data which may pertain to the planning area.
  5. Information relating to surface and mineral ownership:
    - a. Surface owner consents previously granted, whether consent is transferrable, surface owner leases with coal companies.
    - b. Non-federal, or fee coal ownership adjacent to Federal tracts currently leased or mined.
  6. Other resource values occurring within the planning area which may conflict with coal development:
    - a. Describe the resource value, and locate it on a map at least 1/2 inch delineation.
    - b. State the reasons the particular resource would conflict with coal development.
- Any individual, business entity, or public body may participate in this

process by providing coal or other resource information under this call. This planning issue is presented for public hearing and is subject to change based upon such public hearing. Comments should be received by CLOSE OF BUSINESS March 22, 1996. The planning team will seek public involvement throughout the planning amendment process. A formal public hearing/open house will be held to provide the public an opportunity to participate in this Draft Amendment effort.

Notice is hereby given that the public hearing will start at 7:00 p.m. and is scheduled for: March 19, 1996 at the High School, Poteau, OK.

Complete records of all phases of the planning process will be available for public review and comment at the Bureau of Land Management, Moore office, 221 North Service Road, Moore, Oklahoma.

The final RMP amendment documents will be available upon request.

Dated: February 14, 1996.

Jim Sims,

*District Manager.*
