Title: New Service Reporting Requirements Under Price Cap Regulation.

Estimated Annual Burden: 1280 total annual hours; 20 hours per respondent; 16 respondents.

Description: Price cap carriers filing new service tariffs are subject to a quarterly reporting requirement which commences six months after initiation of new services. The net revenue data report is useful to the public and the Commission in determining the reasonableness of rates for new services. These reports are used to compare actual operating results with projections.

Expiration Date: 05/31/96.

Title: Rules and Requirements for Telecommunications Relay Services (TRS) Interstate Cost Recovery.

Form No.: FCC Form 431.

Estimated Annual Burden: 46,3000; 9.26 hours per respondent (average); 5000 respondents.

Description: The Americans with Disabilities Act of 1990 requires the Commission to ensure that telecommunications relay services are available, to the extent possible, to individuals with hearing and speech disabilities in the United States. To fulfill this mandate, the Commission adopted rules which require the provision of TRS services, set minimum standards for telecommunications relay services (TRS) providers and establish a shared-funding mechanism for recovering the costs of providing interstate TRS. See 47 CFR Sections 64.601-64.605. FCC Form 431 is used in implementing the shared-funding program for the recovery of interstate TRS relay services costs. All common carriers must contribute to the TRS fund and complete FCC Form 431. The information is used to administer the program. The 1995 TRS Fund Worksheet (FCC Form 431) has been updated to include the new expiration date. Please note that the 1996 edition of the FCC Form 431 is not available for public use.

Description: 47 CFR Part 61, Sections 61.20 - 61.23 contain tariff filing requirements for nondominant common carriers. Section 203 of the Communications Act requires that carriers file schedules indicating the rates, terms, and conditions of their service offerings. The purpose of the filing requirement is so that the Commission, customers, and interested parties can ensure that the service offerings of communications common carriers comply with the requirements of the Communications Act.

OMB Control No.: 3060-0681.

Expiration Date: 02/28/99.

Title: Toll-Free Service Access Codes—CC Docket No. 95-155.

Estimated Annual Burden: 664,070 total annual responses; .166 hours per response (average); 4,000,000 respondents.

Description: In the Notice of Proposed Rulemaking issued in CC Docket No. 95-155, the Commission solicited public comment on how toll free numbers should be reserved, assigned, and used. The NPRM also proposed several information collections to advance the efficient use of toll free numbers, facilitate planning, permit more effective analysis of anticipated number exhaustion and prevent fraud. The entities affected include Responsible Organizations, 800 service providers, third party agents, individuals, and/or the administrator of the SMS/800 database. OMB approved several of the proposed requirements including the proposed recordkeeping, reporting and certification requirements contained in the NPRM.

FEDERAL TRADE COMMISSION

[File No. 961 0022]

Litton Industries, Inc.; Consent Agreement With Analysis to Aid Public Comment

AGENCY: Federal Trade Commission.

ACTION: Consent agreement.

SUMMARY: This Consent Agreement, accepted subject to final Commission approval, settles alleged violations of federal law prohibiting unfair or deceptive acts or practices and unfair methods of competition arising from Litton's proposed acquisition of all of the voting securities of PRC Inc., in a transaction valued at approximately \$425 million. The proposed complaint alleges that the acquisition, if consummated, would violate Section 7 of the Clayton Act, as amended, and Section 5 of the Federal Trade Commission Act, as amended, in the market for the research, development, manufacture and sale of Aegis destroyers for the United States Department of the Navy. The proposed consent order would, among other things, require Litton to divest all of the assets relating to the provision of systems engineering and technical assistance services ("SETA Services") in support of the U.S. Department of the Navy's Aegis destroyer program. In addition, Litton has signed an Interim Agreement providing that the terms of the Consent Agreement will become effective immediately.

DATES: Comments must be received on or before April 26, 1996.

ADDRESSES: Comments should be directed to: FTC/Office of the Secretary, Room H-159, Sixth Street and Pennsylvania Avenue, NW., Washington, DC 20580.

FOR FURTHER INFORMATION CONTACT: Ann B. Malester, FTC/S-2308, Washington, DC 20580 (202) 326-2682.

SUPPLEMENTARY INFORMATION: Pursuant to Section 6(f) of the Federal Trade Commission Act, 38 Stat. 721, 15 U.S.C. 46, and Section 2.34 of the Commission's Rules of Practice (16 CFR 2.34), notice is hereby given that the following consent agreement containing a consent order to cease and desist, having been filed with and accepted,

subject to final approval, by the Commission, has been placed on the public record for a period of sixty (60) days. Public comment is invited. Such comments or views will be considered by the Commission and will be available for inspection and copying at its principal office in accordance with Section 4.9(b)(6)(ii) of the Commission's Rules of Practice (16 CFR 4.9(b)(6)(ii)).

In the Matter of: Litton Industries, Inc., a corporation. File No. 961-0022.

Agreement Containing Consent Order

The Federal Trade Commission ("Commission"), having initiated an investigation of the proposed acquisition by Litton Industries, Inc. ("Litton") of PRC Inc. ("PRC"), and it now appearing that Litton, hereinafter sometimes referred to as "Proposed Respondent," is willing to enter into an agreement containing an order to divest certain assets, and providing for certain other relief:

It is hereby agreed by and between Proposed Respondent Litton, by its duly authorized officers and attorneys, and counsel for the Commission that:

1. Proposed Respondent Litton is a corporation organized, existing, and doing business under and by virtue of the laws of the state of Delaware with its principal executive offices located at 21240 Burbank Boulevard, Woodland Hills, California, 91367-6675.

2. Proposed Respondent admits all the jurisdictional facts set forth in the draft of complaint here attached.

3. Proposed Respondent waives:

- a. any further procedural steps;
- b. the requirement that the Commission's decision contain a statement of findings of fact and conclusions of law;
- c. all rights to seek judicial review or otherwise to challenge or contest the validity of the order entered pursuant to this agreement; and
- d. any claims under the Equal Access to Justice Act.

4. Proposed Respondent shall submit, within thirty (30) days of the date this Agreement is signed by Proposed Respondent, an initial compliance report, as contemplated by Rules 2.33 and 4.9(b)(7) of the Commission's Rules of Practice and Procedure, 16 CFR 2.33 and 4.9(b)(7), duly signed by the Proposed Respondent, setting forth in precise detail the manner in which Proposed Respondent will comply with Paragraphs II and III of the proposed consent order, when and if entered. Among other things, the report shall include a full and complete description of the efforts planned or underway to comply with the terms and conditions of the proposed order, including:

(1) a list of the firms to which Proposed Respondent (i) has offered, and (ii) intends to offer, the SETA Services Operations;

(2) the actions, procedures and directives Litton will employ to comply with Paragraphs II.G., II.H., II.I., and III of the proposed consent order.

5. This agreement shall not become part of the public record of the proceeding unless and until it is accepted by the Commission. If this agreement is accepted by the Commission it, together with the draft of complaint contemplated thereby, will be placed on the public record for a period of sixty (60) days and information in respect thereto publicly released. The Commission thereafter may either withdraw its acceptance of this agreement and so notify the Proposed Respondent, in which event it will take such action as it may consider appropriate, or issue and serve its complaint (in such form as the circumstances may require) and decision, in disposition of the proceeding.

6. This agreement is for settlement purposes only and does not constitute an admission by Proposed Respondent that the law has been violated as alleged in the draft of complaint here attached, or that the facts as alleged in the draft complaint, other than jurisdictional facts, are true.

7. This agreement contemplates that, if it is accepted by the Commission, and if such acceptance is not subsequently withdrawn by the Commission pursuant to the provisions of Section 2.34 of the Commission's Rules, the Commission may, without further notice to Proposed Respondent, (1) issue its complaint corresponding in form and substance with the draft of complaint here attached and its decision containing the following order to divest in disposition of the proceeding, and (2) make information public with respect thereto. When so entered, the order shall have the same force and effect and may be altered, modified, or set aside in the same manner and within the same time provided by statute for other orders. The order shall become final upon service. Delivery by the U.S. Postal Service of the complaint and decision containing the agreed-to order to Proposed Respondent shall constitute service. Proposed Respondent waives any right it may have to any other manner of service. The complaint may be used in construing the terms of the order, and no agreement, understanding, representation, or interpretation not contained in the order or the agreement may be used to vary or contradict the terms of the order.
