SUPPLEMENTARY INFORMATION: The Agency is revising its test guidelines for Prenatal Developmental Toxicity (870.3700) and Reproduction and Fertility Effects (870.3800). These guidelines would replace FIFRA Subdivision F guidelines 83-3 and 83-4 and TSCA guidelines at 40 CFR 798.4700 and 798.4900. Both draft guidelines were submitted to peer review by the FIFRA Scientific Advisory Panel December 1993 and have been made available to the public for comment.

The current draft revised guidelines are now being made available for additional comment. All interested parties are encouraged to submit comments on the proposed revised guidelines for Prenatal Developmental Toxicity Study and Reproduction and Fertility Effects. Specific comments should reference the specific number and paragraph or subparagraph of the appropriate revised guideline. Recommended technical or scientific changes/modifications should be supported by current scientific/technical knowledge and include supporting references. References may

be to the published literature, studies submitted to the Agency in support of registration, and unpublished data. Citations must be sufficiently detailed so as to allow the Agency to obtain copies of the original documents and unpublished data supplied to allow their evaluation.

Comments on the proposed revised guidelines will be considered by the Agency and such modifications of the guidelines considered to be of merit will be incorporated into the final guidelines. The draft modifications and the public comments will be presented to the FIFRA Scientific Advisory Panel and additional experts at a public meeting for its comments before being published as final guidelines. Notice of this meeting will be published in the Federal Register and all interested parties will be offered the opportunity to present written and public comments to the FIFRA Scientific Advisory Panel and additional experts at the public meeting.

A record has been established for this notice under docket number "OPP-00413A" (including comments and data submitted electronically as described below). A public version of this record, including printed, paper versions of electronic comments, which does not include any information claimed as CBI, is available for inspection from 8 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The public record is located in Rm. 1132 of the Public Response and Program Resources Branch, Field Operations Division (7506C), Office of Pesticide Programs, Environmental Protection Agency, Crystal Mall #2, 1921 Jefferson Davis Highway, Arlington, VA.

Electronic comments can be sent directly to EPA at:

guidelines@epamail.epa.gov

Electronic comments must be submitted as an ASCII file avoiding the use of special characters and any form of encryption.

The official record for this notice, as well as the public version, as described above will be kept in paper form. Accordingly, EPA will transfer all comments received electronically into printed, paper form as they are received and will place the paper copies in the official record which will also include all comments submitted directly in writing. The official record is the paper record maintained at the address in "ADDRESSES" at the beginning of this document.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by the Federal Communications Commission; Comments Requested

February 26, 1996.

SUMMARY: The Federal Communications, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before May 3, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESS: Direct all comments to Dorothy Conway, Federal

Communications, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Number: 3060-0214.

Title: Section 73.3526 Local Public Inspection File of Commercial Stations.

Form Number: None.

Type of Review: Extension.

Respondents: Business or other for-profit.

Number of Respondents: 10,215 commercial radio licensees recordkeepers; 1181 commercial TV licensees recordkeepers; 1181 commercial TV stations making must-carry/retransmission consent elections.

Estimated time per response: 104 hours per year for radio recordkeeping; 130 hours per year for TV recordkeeping; 5 hours per election statement to 150 cable systems per TV station.

Total annual burden: 2,101,640 hours.

Needs and Uses: Section 73.3526 requires that each licensee/permittee of a commercial broadcast station maintain a file for public inspection. The contents of the file vary according to type of service and status. The contents include, but are not limited to, copies of certain applications tendered for filing, a statement concerning petitions to deny filed against such applications, copies of ownership reports and annual employment reports, statements certifying compliance with filing announcements in connection with renewal applications, letters received from members of the public, etc. The data are used by the public and FCC to evaluate information about the broadcast licensee's performance, to ensure that broadcast stations are addressing issues concerning the community to which it is licensed to serve and to ensure that radio stations entering into time brokerage agreements comply with Commission policies pertaining to licensee control and to the Communications Act and the antitrust laws. Broadcasters are required to send each cable operator in the station's market a copy of the election statement applicable to that particular cable operator. Placing these retransmission consent/must-carry elections in the public file provide public access to documentation of station's elections which are used by cable operators in negotiations with television stations and by the public to ascertain why some

stations are/are not carried by the cable systems.

OMB Number: 3060-0245.

Title: Section 74.537 Temporary Authorizations.

Form Number: None.

Type of Review: Extension.

Respondents: Business or other for-profit.

Number of Respondents: 50.

Estimated time per response: 2 hours (this time is split 1 hour 30 minutes burden for the licensee and 30 minutes cost for a communications attorney).

Total annual burden: 75 hours.

Needs and Uses: Section 74.537 requires licensees of an aural broadcast studio transmitter link (STL) or intercity relay station to file an informal request for special temporary authorization for operations of a temporary nature. The data is used by FCC staff to insure that the temporary operation of an STL or intercity relay station will not cause interference to existing stations.

OMB Number: 3060-0243.

Title: Section 74.551 Equipment Changes.

Form Number: None.

Type of Review: Extension.

Respondents: Business or other for-profit.

Number of Respondents: 25.

Estimated time per response: 1 hour (this hour is split between cost and burden, 30 minutes burden for the licensee and 30 minutes cost for a communications attorney).

Total annual burden: 13 hours.

Needs and Uses: Section 74.551(b) requires licensees of aural broadcast studio transmitter links (STL) or intercity relay stations to notify the Commission in writing of minor equipment changes that can be made without prior Commission authorization upon completion of such changes. The data is used by FCC staff to assure that the changes made comply with the rules and regulations.

OMB Number: 3060-0543.

Title: Section 21.913 Signal booster stations.

Form Number: None.

Type of Review: Reinstatement/revision.

Respondents: Business or other for-profit.

Number of Respondents: 300.

Estimated time per response: 2.5 hours per certification. This includes 0.5 hours for the licensee to convey its desire to install a low power booster station and 2 hours for a consulting engineer to prepare the certification.

Total annual burden: 150.

Needs and Uses: On 6/9/93, OMB approved the Amendment of Parts 1, 2
