

results of review: (1) The cash deposit rate for the named companies will be the rates as listed above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will be the "all other" rate of 3.10 percent. This is the rate established during the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These amended final results of administrative review and notice are in accordance with section 751(f) of the Tariff Act (19 U.S.C. 1675(f)) and 19 CFR 353.28.

Porcelain-on-Steel Cooking Ware From Taiwan: Final Results of Changed Circumstances Antidumping Duty Administrative Review, and Revocation in Part of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of changed circumstances antidumping duty administrative review, and revocation in part of antidumping duty order.

SUMMARY: On January 10, 1997, the Department published a notice of initiation of a changed circumstances antidumping duty administrative review and preliminary results of review with intent to revoke, in part, the antidumping duty order on porcelain-on-steel (POS) cooking ware from Taiwan. We are now revoking this order in part, with regard to teakettles, based on the fact that domestic parties have expressed no interest in the importation or sale of teakettles imported from Taiwan.

EFFECTIVE DATE: March 5, 1997.

FOR FURTHER INFORMATION CONTACT: Amy S. Wei or James Terpstra, Office of Antidumping/Countervailing Duty Enforcement, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-4737.

SUPPLEMENTARY INFORMATION:

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, as amended by the interim regulations published in the Federal Register on May 11, 1995 (60 FR 25130).

Background

On September 12, 1996, General Housewares Corporation (GHC) requested that the Department conduct a changed circumstances administrative review to determine whether to partially revoke the order with regard to imports of teakettles from Taiwan. In its request, GHC stated that it is the only U.S. producer of POS cooking ware and that, in the original petition, it requested that

the scope of order include teakettles. GHC also stated that it no longer manufactures POS teakettles and has no further interest in the antidumping duty order with respect to teakettles.

We preliminarily determined that petitioner's affirmative statement of no interest constituted changed circumstances sufficient to warrant a partial revocation of this order. Consequently, on January 10, 1997, the Department published a notice of initiation and preliminary results of changed circumstances antidumping duty administrative review and intent to revoke this order in part (62 FR 1434). We gave interested parties an opportunity to comment on the preliminary results of this changed circumstances review. We received no comments.

Scope of Review

The products covered by this antidumping order are POS cooking ware, including teakettles, which do not have self-contained electric heating elements. All of the foregoing are constructed of steel and are enameled or glazed with vitreous glasses. Kitchenware is not subject to this order. See Antidumping Duty Order; Porcelain-on-Steel Cooking Ware from Taiwan, 51 FR 43416 (December 2, 1986).

The merchandise covered by this changed circumstances review are teakettles from Taiwan. Imports of teakettles are currently classifiable under the harmonized tariff schedule (HTS) subheading 7323.94.00.10. The HTS subheading is provided for convenience and U.S. Customs purposes. Our written description of the scope of this proceeding is dispositive. The order with regard to imports of other POS cooking ware is not affected by this request. Thus, pursuant to the Department's determination to revoke in part the antidumping order on POS cooking ware from Taiwan with respect to teakettles, the scope of the antidumping order on POS cooking ware from Taiwan now reads as follows: The products covered by this antidumping duty order are POS cooking ware which do not have self-contained electric heating elements. All of the foregoing are constructed of steel and are enameled or glazed with vitreous glasses. Kitchenware and teakettles are not subject to this order.

Final Results of Review; Partial Revocation of Antidumping Duty Order

The affirmative statement of no interest by petitioner in POS cooking ware from Taiwan constitutes changed circumstances sufficient to warrant

partial revocation of this order. Therefore, the Department is partially revoking the order on POS cooking ware from Taiwan with regard to teakettles, in accordance with sections 751 (b) and (d) and 782(h) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 353.25(d)(1).

The Department will instruct the U.S. Customs Service (Customs) to proceed with liquidation, without regard to antidumping duties, of all unliquidated entries of teakettles from Taiwan that are not subject to final results of administrative review. The Department will further instruct Customs to refund with interest any estimated duties collected with respect to unliquidated entries of teakettles from Taiwan that are not subject to final results of administrative review.

This notice also serves as a reminder to parties subject to administrative protection orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This changed circumstances administrative review, partial revocation of the antidumping duty order and notice are in accordance with sections 751 (b) and (d) and 782(h) of the Act and sections 353.22(f) and 353.25(d) of the Department's regulations.

Dated: February 27, 1997.

Acting Assistant Secretary for Import Administration.
