The use of the HCFA-855 Provider Enrollment Form makes uniform the information collection. Providers who have already been enrolled in Medicare will be required only to sign and submit the Form's certification statement and submit supplemental agreements for facsimile signatures and electronic claims submission which may remain specific and separate for Medicare and TRICARE/CHAMPUS. This application will implement the enrollment application for all TRICARE/CHAMPUS providers/suppliers, and collect information necessary to issue the National Provider Identifier. The National Provider Identifier (NPI) will be assigned to all current providers and to all incoming providers as part of the enrollment process. Periodic Re-Verification of Provider Data will ensure that, once enrolled, all providers/suppliers remain current under the Conditions of Enrollment.
