[Docket 14-97]

Foreign-Trade Zone No. 143— Sacramento, CA Area, Application for Subzone Status, Hewlett-Packard Company (Computers and Related Electronic Products), Sacramento, CA Area

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Sacramento-Yolo Port District, grantee of FTZ 143, requesting special-purpose subzone status for the manufacturing and distribution facilities (computers, printers, measurement devices, medical products and related products) of the Hewlett-Packard Company (Hewlett-Packard), located in the Sacramento, California area. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 10,

The Hewlett-Packard facilities are located at three sites totaling 569.2 acres (5.9 mil. sq. ft. at completion) in the Sacramento, California area:

Site 1 (500.2 acres, 1,233,800 sq. ft. plus 2,900,000 sq. ft. proposed)—main manufacturing plant, 8000 Foothills Boulevard, Roseville, California;

Site 2 (26.7 acres, 515,600 sq. ft.)warehouse/processing facility, 2975-3055-3071 Venture Drive, Lincoln, California:

Site 3 (42.3 acres, 800,000 sq. ft. plus 400,000 sq. ft. proposed)—warehouse/ processing facility, 2222 East Beamer Street/221 Hanson Way, Woodland,

The facilities (4,000 employees) are used for storage, manufacture, and distribution for import and export of computers and related devices, printers, electronic test and measurement devices, electronic medical products, and related electronic products and components. A number of components are purchased from abroad (an estimated 40% of value on manufactured products), including: printed circuit boards, silicon wafers, rectifiers, integrated circuits, memory modules, CD-ROM drives, disk drives, scanners, hard drives, keyboards, monitors/displays (CRT and LCD type), LEDs, speakers, microphones, belts, valves, bearings, plastic materials, industrial chemicals, sensors, filters, resistors, transducers, fuses, plugs, relays, ink cartridges, toner cartridges, switches, fasteners, cards, transformers, DC/electric motors, magnets, modems, batteries, cabinets, power supplies, cables, copper wire, power cords, optical fiber, casters, cases, labels, and

packaging materials (1997 duty range: free—14.2%).

Zone procedures would exempt Hewlett-Packard from Customs duty payments on foreign components used in export production. On its domestic sales, Hewlett-Packard would be able to choose the lower duty rate that applies to the finished products (free-13.2%) for the foreign components noted above. The application indicates that the savings from zone procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 19, 1997. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 2, 1997.

A copy of the application and the accompanying exhibits will be available for public inspection at each of the following locations:

[Docket 11-97]

Foreign-Trade Zone 26—Atlanta, GA, Area, Expansion of Manufacturing Authority-Subzone 26D, Yamaha **Motor Manufacturing Corporation of** America Plant (All-Terrain Vehicles), Newnan, GA

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting on behalf of the Yamaha Motor Manufacturing Corporation of America (YMMC), operator of FTZ Subzone 26D, YMMC plant, Newnan, Georgia, an expansion of the scope of authority to include the manufacture of all-terrain

vehicles under FTZ procedures within Subzone 26D. It was formally filed on March 6, 1997

Subzone 26D was approved by the Board in 1989 with activity granted for the manufacture of personal water craft and golf cars (Board Order 433, 54 FR 24370, 6-7-89). The manufacturing authority for golf cars is subject to a restriction that requires privileged foreign status (19 CFR 146.41) to be elected on all foreign components.

YMMC is now requesting authority to expand the scope of FTZ authority to include the manufacture of four wheel, all-terrain vehicles (ATVs) under FTZ procedures for the U.S. market and export. The plant's manufacturing space will be increased from 400,000 to 540,000 square feet within the 238-acre plant site. The new all-terrain vehicle activity will involve welding, plastic molding, painting, and assembly using domestic and foreign components. Foreign-sourced components and subassemblies will comprise approximately 49 percent of the finished ATVs material value, and include: engines, head/tail lights, wiring harnesses, electrical components, spark plugs, flanges/spacers/grommets, ignition coils, starter motors, breathers, pulleys, exhaust components, carburetors, axles, pinion gears, brake components, fasteners, shock absorbers, springs, bearings, hoses, gaskets/seals, o-rings, steering gears (duty rate range: free-8.9%). The application indicates that 54 percent of the finished ATVs' material value will be U.S. sourced within four years of the launch of production.

FTZ procedures would exempt YMMC from Customs duty payments on the foreign components used in export activity (about 2% of shipments). On its domestic sales, the company would be able to elect the duty rate that applies to finished ATVs (2.5%) for the foreign components noted above. The application indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 19, 1997. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to June 2, 1997)

A copy of the application will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade

Zones Board, Room 3716, U.S. Department of Commerce, 14th Street and Pennsylvania Avenue, NW., Washington, DC 20230.

[Docket 13-97]

Foreign-Trade Zone 21—Charleston, South Carolina Area, Application for Expansion

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the South Carolina State Ports Authority (SCSPA), grantee of FTZ 21, requesting authority to expand its zone in the Charleston, South Carolina area, within the Charleston, South Carolina Customs port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on March 7, 1997.

FTZ 21 was approved on June 12, 1975 (Board Order 106, 40 FR 25613, 6/ 17/75) and expanded on February 28, 1995 (Board Order 734, 60 FR 12735, 3/ 8/95), June 20, 1996 (Board Order 832, 61 FR 33491, 6/27/96) and October 23, 1996 (Board Order 850, 61 FR 57383, 11/6/96). The zone project includes 9 general-purpose sites in the coastal area of South Carolina: Site 1 (134 acres)-Tri-County Industrial Park, Summerville; Site 2 (57 acres)—Cainhoy Industrial Park, Wando; Site 3 (160 acres)—Crowfield Corporate Center, Goose Creek; Site 4 (998 acres)—Low Country Regional Industrial Park, Early Branch; Site 5 (2,017 acres)—SCSPA's terminal complex. Charleston: Site 6 (19) acres)—Meadow Street Business Park, Loris; Site 7 (1,782 acres)—Myrtle Beach International Airport/former Myrtle Beach U.S. Air Force Base, Myrtle Beach; Site 8 (23 acres)—within Wando Park, Mount Pleasant (expires 12/31/ 97); and, Site 9 (548 acres)—Charleston Business Park, Charleston. An application is currently pending with the Board to expand and remove the time limit for Site 8 within Wando Park in Mount Pleasant (Docket No. 62-96).

The applicant is now requesting authority to expand the general-purpose

zone to include four new sites in the North Charleston area: Site 10 (105 acres)—within the 133-acre Ashley Industrial Park, 3045 Ashley Phosphate Road, North Charleston: Site 11 (459) acres)—within the 500-acre Charleston International Commerce Park, 5500 International Blvd., Charleston; Site 12 (1.120 acres. 2 tracts) within the Palmetto Commerce Park, Ladson Road, North Charleston; and, Site 13 (76 acres)-North Charleston Convention Center complex, 500 Coliseum Drive, North Charleston. No specific manufacturing requests are being made at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 19, 1997. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to June 2, 1997).
