Definitions

The terms used in this Notice shall have the meaning ascribed to them in the regulations governing the Summer Food Service Program for Children (7 CFR Part 225).

Background

Pursuant to section 13 of the National School Lunch Act (NSLA) (42 U.S.C. 1761) and the regulations governing the SFSP (7 CFR Part 225), notice is hereby given of adjustments in Program payments for meals served to children participating in the SFSP during the 1997 Program. Adjustments are based on changes in the food away from home series of the Consumer Price Index (CPI) for All Urban Consumers for the period November 1995 through November 1996.

The operating rates being adjusted in this notice are lower than those which were in effect during the 1996 Program. This is due to the enactment of Public Law 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, on August 22, 1996. Section 706(b) of this statute amended section 13(b) of the NSLA to set new maximum SFSP operating rates and to require the rates to be adjusted down to the nearest whole cent. This resulted in the lowering of the rates from \$2.1675 to \$1.97 for lunches and suppers, from \$1.2075 to \$1.13 for breakfasts, and from \$.5700 to \$.4600 for supplements. Finally, after adjusting

these rates by 3 percent (to reflect an increase in the CPI for food away from home, from 150.2 in November 1995 to 154.7 in November 1996), the resulting operating rates were rounded down to the nearest whole cent, as opposed to the nearest quarter cent, as was previously the case.

The new 1997 reimbursement rates in dollars are as follows:

MAXIMUM PER MEAL REIMBURSEMENT RATES

Operating Costs	
Breakfast	\$1.16
Lunch or Supper	2.02
Supplement47
Administrative Costs	
a. For meals served at rural or self-preparation sites:	
Breakfast115
Lunch or Supper2125
Supplement0575
b. For meals served at other types of sites:	
Breakfast09
Lunch or Supper175
Supplement045

The total amount of payments to State agencies for disbursement to Program sponsors will be based upon these Program reimbursement rates and the number of meals of each type served.

The Department points out that Public Law 104-193 established new maximum operating rates for all SFSP sponsors but did not change the base administrative rates or the rounding method for those rates. The administrative rates being adjusted in this notice are the rates which were in effect during 1996. In addition, the SFSP administrative reimbursement rates continue to be adjusted to the nearest quarter-cent as has previously been the case.

Authority: Secs. 9, 13 and 14, National School Lunch Act, as amended (42 U.S.C. 1758, 1761 and 1762a).

Dated: December 30, 1996.

George A. Braley,

Acting Administrator, Food and Consumer Service.
