SUPPLEMENTARY INFORMATION:

Need for Correction

As published, the final rule contains errors which may prove to be misleading and are in need of clarification. In particular, the statement of availability that is being removed from § 582.340(a)(1) essentially repeats the statement of availability that is in the footnote to § 582.340(a).

Correction of Publication

Accordingly, FR Doc. 96-24875, a final rule published on September 30, 1996 (61 FR 51168) that amended 24 CFR part 582, is corrected as follows:

§ 582.5 [Corrected]

1. On page 51169, in the third column, in § 582.5, paragraph (3) of the defined term "Person with disabilities" is corrected by adding the character ")" at the end of the paragraph.

§ 582.310 [Corrected]

2. On page 51171, in the first column, in § 582.310, paragraph (a), the citation "(42 U.S.C. 1437a(3)(1))" is corrected to read "(42 U.S.C. 1437a(a)(1))".

§ 582.340 [Corrected]

3. On page 51171, in the third column, in § 582.340, paragraph (a)(1) is corrected by removing the last sentence, which reads "(OMB Circulars are available from the Executive Office of the President, Publication Service, 725 17th Street, NW., Suite G-2200, Washington, DC 20503, Telephone 202-395-7332.)".

DEPARTMENT OF EDUCATION

34 CFR Part 682

RINS 1840-AC35, 1840-AC33

Federal Family Education Loan Program

AGENCY: Department of Education.

ACTION: Final Regulations.

SUMMARY: The Secretary amends the regulations governing the Federal Family Education Loan (FFEL) Program to add the Office of Management and Budget (OMB) control number to certain sections of the regulations. These sections contain information collection

requirements approved by OMB. Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The Secretary takes this action to inform the public that these requirements have been approved and affected parties must comply with them.

EFFECTIVE DATE: These regulations are effective on July 1, 1997.

FOR FURTHER INFORMATION CONTACT: Ron Streets or George Harris, FFEL Program Policy Section, Policy Development Division, Policy, Training, and Analysis Service, U.S. Department of Education, 600 Independence Avenue, S.W., (Room 3053, ROB-3), Washington, D.C. 20202. Telephone (202) 708-8242. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Final regulations for the FFEL Program entitled Due Diligence Requirements (61 FR 60478) and Guaranty Agencies-Conflicts of Interest (61 FR 60426) were published in the **Federal Register** on November 27, 1996. Compliance with information collection requirements in certain sections of these regulations was delayed until those requirements were approved by OMB under the Paperwork Reduction Act of 1995. OMB approved the information collection requirements in the regulations on January 17, 1997. The information collection requirements in these regulations will, therefore, become effective with all of the other provisions of the regulations on July 1, 1997.

Waiver of Proposed Rulemaking

It is the practice of the Secretary to offer interested parties the opportunity to comment on proposed regulations. However, the publication of OMB control numbers is purely technical and does not establish substantive policy. Therefore, the Secretary has determined under 5 U.S.C. 553(b)(B), that public comment on the regulations is unnecessary and contrary to the public interest.

DEPARTMENT OF AGRICULTURE

Forest Service

36 CFR Part 200

Organization, Functions, and Procedures; Information Availability

AGENCY: Forest Service, USDA.

ACTION: Final rule; technical amendment.

SUMMARY: This technical amendment streamlines the rules for obtaining information from the Forest Service by combining related sections into a single rule and by making editorial changes to clarify the procedures by which the public may obtain agency information. The need for this revision became apparent when the agency reviewed its regulations as part of the President's Regulatory Reinvention Initiative. The intended effect is to make the rule easier to use and understand.

EFFECTIVE DATE: This rule is effective March 21, 1997.

FOR FURTHER INFORMATION CONTACT: Naomi Charboneau, Freedom of Information Act Staff, telephone: (703) 235-9488.

SUPPLEMENTARY INFORMATION: Current regulations at § 200.5, § 200.7, § 200.8, and § 200.9 of Title 36 of the Code of Federal Regulations provide guidance for locating, inspecting, and copying Forest Service information. As part of the President's Regulatory Reinvention Initiative, an agency review team determined that these four small regulations could be combined to provide one streamlined regulation for viewing and obtaining information. In addition, minor revisions have been made to clarify longstanding procedures for requesting information and for clarifying when fees are assessed for copies of records and agency publications. As a result of combining these rules, sections 200.10 and 200.11 will be redesignated as §§ 200.7 and 200.8 respectively. No substantive changes have been made to the agency's policies on access to information.

List of Subjects in 36 CFR Part 200

Administrative practice and procedure, Freedom of information, Organization and functions (Government agencies).

Therefore, for the reasons set forth in the preamble, Part 200 of Title 36 of the Code of Federal Regulations is hereby amended as follows:

PART 200—[AMENDED]

1. The authority citation for Part 200 is revised to read as follows:

Authority: 5 U.S.C. 552; 16 U.S.C. 472, 551, and 1603.

2. In part 200, §§ 200.6 and 200.5 are redesignated as §§ 200.5 and 200.6, respectively, and newly designated § 200.6 is revised to read as follows:

§ 200.6 Information available; inspection, copying, and charges.

(a) In accordance with 5 U.S.C. 552(a) and 7 CFR 1.2, the Forest Service shall make available for public inspection and copying all published or unpublished directives, forms, records, and final opinions, including concurring or dissenting opinions and orders made in the adjudication of cases. Charges for information requested from the Forest Service are set out in paragraph (d) of this section and vary according to the type of information requested.

(b) Information made available pursuant to paragraph (a) of this section may be obtained at the Office of the Chief, or the office of any Regional Forester, Research Station Director, Area Director, Institute Director, Forest Supervisor, or District Ranger. The addresses of these offices are set forth in §§ 200.1 and 200.2. Forest Service

personnel at these offices will assist members of the public seeking Forest Service records. However, Research Station and Institute Directors and District Rangers may not have all volumes of the Forest Service Manual and Handbooks. When the information requested is not available at a given location, the personnel where the request is received will direct the requester to another office where the information may be obtained.

(c) Inspection and copying availability is as follows:

(1) Facilities for inspection and copying are available at the offices listed in §§ 200.1 and 200.2, during established office hours for the particular location, usually 8 a.m. to 5 p.m., Monday through Friday. Copying facilities may not be available at all Forest Service offices.

(2) Requesters for information may make copies of available information without charge if they elect to bring their own copy equipment to the appropriate offices listed in §§ 200.1 and 200.2.

(3) Requesters should make prior arrangements for using agency copying facilities or for bringing in copying equipment and, in the later case, should get advance approval from the office.

(d) Any request for information pursuant to the provisions of the Freedom of Information Act must be submitted in accordance with §§ 200.7 and 200.8. The Forest Service charges a fee for copies of records not generally made available to the public but released pursuant to a FOIA request in accordance with a schedule of fees established by the Department of Agriculture at 7 CFR Part 1, Subpart A, Appendix A. These fees do not apply to information that is generally and routinely made available to the public upon request, such as recreational brochures, pamphlets, maps, and technical guides as well as agency directive issuances. Separate charges for such general information are established in the agency's Directive System (§ 200.4). For example, some pamphlets and small segments of the Forest Service Manual and Handbook may be provided at no cost, but maps of the National Forest System and larger sections of the Manual and Handbook are available for a charge. Current charges are explained at the time the request is made.

§§ 200.7, 200.8, and 200.9 [Removed]

§§ 200.10 and 200.11 [Redesignated as §§ 200.7 and 200.8]

3. Remove §§ 200.7 through 200.9 and redesignate §§ 200.10 and 200.11 as §§ 200.7 and 200.8, respectively.

Dated: March 7, 1997.

Barbara C. Weber,
Acting Chief.

ACTION: Immediate final rule; correction.

SUMMARY: The Environmental Protection Agency published in the **Federal Register** of March 7, 1997, the authorization of Arizona's Hazardous Waste Management Program Revisions under the Resource Conservation and Recovery Act (RCRA). This document corrects that error and consequently extends the public comment period and effective dates.

DATES: Final authorization for Arizona is effective May 20, 1997 unless EPA publishes a prior **Federal Register** action withdrawing this immediate final rule. All comments on Arizona's program revision application must be received by the close of business April 21, 1997.
