ACTION: Request OMB Emergency Approval; Application—Checkpoint Pre-enrolled Access Lane.

The Department of Justice, Immigration and Naturalization Service (Service) has submitted the following information collection request (ICR) utilizing emergency review procedures, to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The necessity for emergency review and implementation of this information collection is as follows: Congress has made continued funding for the Border patrol checkpoints at San Clemente and Temecula, California, contingent on establishing a commuter facilitation project at the San Clemente checkpoint (See pub. Congress mandates the Checkpoint Pre-enrolled Access Lane program's enrollment process be implemented by April 1, 1997 and the commuter lane be operational by June 30, 1997. Therefore, the Service is requesting OMB emergency review and clearance of this information collection by March 21, 1997.
