### National Highway Traffic Safety Administration

#### Discretionary Cooperative Agreements to Support the Air Bag Safety Campaign

**AGENCY:** National Highway Traffic Safety Administration, DOT.

**ACTION:** Extension of the due date for submission of applications in response to agency announcement published February 19, 1997, 62 FR 7495. Reference DTNH22-97-H-05090.

**SUMMARY:** Due to lack of sufficient response from the necessary number of national organizations as a result of the original announcement, the decision has been made to extend the due date for submission of applications from March 21, 1997 to April 21, 1997. Those applicants which met the original due date are also given the opportunity to utilize the additional time to refine/revise and resubmit their applications if they so desire.

Your attention is drawn to the Eligibility Requirements in the original

announcement wherein it states that in order to be eligible to participate in this program, you must be a national nonprofit organization which: (1) Has an established membership structure with regional, state or local chapters throughout the country having a mechanism for disseminating and coordinating project efforts at the local level; and, (2) have in place a schedule of regular/national/regional or state conferences or conventions, and one or more communication mechanisms that can be used for motivating members and other constituents to become involved in occupant protection at the state and local level.

Dated: April 1, 1997.

### Research and Special Programs Administration

#### Office of Hazardous Materials Safety; Notice of Applications for Modification of Exemption

**AGENCY:** Research and Special Programs Administration, DOT.

**ACTION:** List of applications for modification of exemptions.

**SUMMARY:** In accordance with the procedures governing the application for, and the processing of, exemptions from the Department of Transportation's Hazardous Materials Regulations (49 CFR Part 107, Subpart B), notice is hereby given that the Office of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of transportation, and the nature of application have been shown in earlier **Federal Register** publications, they are not repeated here. Requests for modifications of exemptions (e.g. to provide for additional hazardous materials, packaging design changes, additional mode of transportation, etc.) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. These applications have been separated from the new applications for exemptions to facilitate processing.

**DATES:** Comments must be received on or before April 25, 1997.

**ADDRESS COMMENTS TO:** Dockets Unit, Research and Special Programs Administration, U.S. Department of Transportation, Washington, DC 20590.

Comments should refer to the application number and be submitted in triplicate. If confirmation of receipt of comments is desired, include a self-addressed stamped postcard showing the exemption number.

**FOR FURTHER INFORMATION:** Copies of the applications are available for inspection in the Dockets Unit, Room 8426, Nassif Building, 400 7th Street SW, Washington, DC.
