Certain Forged Steel Crankshafts From the United Kingdom; Notice of Termination of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of termination of antidumping duty administrative review.

SUMMARY: On October 17, 1996, the Department of Commerce (the Department) published in the **Federal Register** the notice of initiation of the administrative review of the antidumping duty order on certain forged steel crankshafts from the United Kingdom. As a result of revocation of the order, the Department is now terminating the review covering the period September 1, 1995 through August 31, 1996.

EFFECTIVE DATE: April 28, 1997.

FOR FURTHER INFORMATION CONTACT: David Dirstine, Lyn Johnson, or Richard Rimlinger, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4733.

SUPPLEMENTARY INFORMATION:**Applicable Statute**

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, as amended by the interim regulations published in the **Federal Register** on May 11, 1995 (60 FR 25130).

Background

On September 30, 1996, KGC petitioner in this proceeding, requested an administrative review of certain forged steel crankshafts from the United Kingdom for the review period September 1, 1995 through August 31, 1996. On October 17, 1996, the Department published in the **Federal Register** (61 FR 54154) the notice of initiation of this administrative review.

On April 8, 1997, the Department revoked the antidumping duty order on

certain forged steel crankshafts from the United Kingdom as to all entries of subject merchandise entered or withdrawn from warehouse on or after August 31, 1995 (see *Certain Forged Steel Crankshafts from the United Kingdom; Notice of Final Results of Antidumping Duty Administrative Review and Revocation of Antidumping Duty Order* (62 FR 16768, 16771)). Therefore, we are terminating this review which covers shipments of subject merchandise from the United Kingdom during the period September 1, 1995 through August 31, 1996. The Department will order the suspension of liquidation ended for all such entries and will instruct the Customs Service to release any cash deposits or bonds. The Department will further instruct Customs to refund with interest any cash deposits on entries made after August 31, 1995.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative notice is in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: April 17, 1997.

Richard W. Moreland,

Acting Deputy Assistant Secretary for Import Administration.
