Procurement List Additions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to the Procurement List.

SUMMARY: This action adds to the Procurement List commodities to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

EFFECTIVE DATE: February 24, 1997.

ADDRESSES Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: On August 30, 1996, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (61 F.R. 45935) of proposed additions to the Procurement List. Comments were received from the current contractor for the coat. The contractor noted that its Government sales of the coat had been reduced by the entry of Federal Prison Industries (FPI) into the market, which caused layoffs and lower levels of plant operation. The contractor indicated that its sales of the coat make up over half its sales, and claimed that any further reduction in Government orders will cause a plant closure and jeopardize the company's ability to meet future Government surge requirements.

The Committee is only proposing to add a limited portion of the

Government's requirements for the coat to the Procurement List. This portion is less than a tenth of the value of the contractor's estimate of its sales of this coat, and an even smaller percentage of the contractor's total sales. Consequently, the Committee does not believe that this addition to the Procurement List will have a severe adverse impact on the contractor. With respect to FPI's re-entry into the market, the Committee noted that the layoffs and lower levels of plant operation cited by the current contractor appeared to have occurred prior to FPI's involvement. At most, FPI's participation will prevent the current contractor from regaining some of the coat sales it had prior to the advent of reduced requirements several years ago. The Committee also noted that, within the past year, the current contractor has taken steps to diversify its product line, which enhances its long-term economic prospects.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and impact of the addition on the current or most recent contractors, the Committee has determined that the commodities listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities to the Government.
2. The action does not appear to have a severe economic impact on current contractors for the commodities.
3. The action will result in authorizing small entities to furnish the commodities to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities proposed for addition to the Procurement List.

Accordingly, the following commodities are hereby added to the Procurement List:

Coat, Combat, Woodland Camouflage
